Subject: [External] Yonge-Steeles Development

Dear Mr. Coles,

Please register my objection to the proposed development plans at the Yonge & Steeles neighbourhood because:

1. The proposed density is between double and triple that allowed in the Secondary Plan
2. The existing facilities/infrastructure cannot support this large an increase in population
3. There has been little to no consultation with the community

Please keep me informed of any actions Council may take on these proposals.

Thank you,

Debbie Belne
