Subject: [External] Yonge/Steeles development

Dear Mr. Coles,

Please register my objection to the proposed development plans at the Yonge & Steeles neighbourhood. The existing infrastructure cannot support this large an increase in population along with the added traffic congestion. As I understand the proposed density is more than double what is currently allowed. We already have a high rise just north of Yonge, this added congestion between Doncaster and Steeles

and can sometimes increase my commute time between Clark and Steeles by 10min.
(pre pandemic).

Please keep me informed of any actions Council may take on these proposals.

Have a nice day!
R.Lampert
