**Subject:** [External] New high rise complex plans in Thornhill

Dear Vaughn council members,

I am sending you this email as I am  
Gravely concerned about the future of our beloved Thornhill.  
I have been living here for 33 years raising four children that recieved very good education and services, and we all have been enjoying a beautiful place with second to none services, and I'd hate to see all this deteriorate and go down the tubes.  
I understand that there is a need to expand but this project will destroy  
Everything we have been so proud of, and that has caused us to stay in Vaughan and not move anywhere.

1. The proposed density is between double and triple that allowed in the Secondary Plan
2. The proposed height is more than double what is currently allowed in the Secondary Plan
3. The proposals do not enhance the existing neighbourhood
4. The facilities being proposed are only for the benefit of the residents who live in the proposed developments
5. There has been little to no consultation with the community
6. The existing facilities/infrastructure cannot support this large an increase in population

Please keep me informed of any actions Council may take on these proposals.
