Subject: [External] File OP.20.001/ 100 Steeles Ave West/ July 13 meeting

I would appreciate being notified of council's decision.

I agree with the long overdue extension of the Yonge subway and understand the necessity of development in our area.

How much development Is needed? I am not an expert In this field but I do own property on Crestwood Road.

I trust Council will make the decision that is best for all concerned.

Celestina Malfara

[REDACTED] Crestwood Road
