Dear Mr. Coles,

Please register my objection to the proposed development plans at the Yonge & Steeles neighbourhood because

1. The proposed density is between double and triple that allowed in the Secondary Plan
2. The facilities being proposed are only for the benefit of the residents who live in the proposed developments
3. The existing facilities/infrastructure cannot support this large an increase in population

Please keep me informed of any actions Council may take on these proposals.

GLEND A COOPER
