Subject: [External] YONG-STEELES DEVELOPMENT

Dear Mr. Coles,

SOMETHING MUST BE DONE

Please register my objection to the proposed development plans at the Yonge & Steeles neighbourhood because (pick one or two reasons to include in your email):

1. The proposed density is between double and triple that allowed in the Secondary Plan
2. The proposed height is more than double what is currently allowed in the Secondary Plan
3. The proposals do not enhance the existing neighbourhood

4. The facilities being proposed are only for the benefit of the residents who live in the proposed developments

5. There has been little to no consultation with the community

■ The existing facilities/infrastructure cannot support this large an increase in population

Please keep me informed of any actions Council may take on these proposals.

Ileen Tobe
