Hello, I'm resident of [REDACTED] Gamble street right in front of this 7 story plan. My family and I are extremely against this project.
Apparently city of Vaughan just think about the money getting out of developments regardless of the traffic, air pollution, killing habitats and nature.
Have you consider that many cars in Islington with just 2 lines, one coming one going. Do you think Islington in this intersection can tolerate this tragic in the morning and afternoon rush hour.
Please be our voice and stop making 7 stories, townhouses would be ok not 7 stories.
Thank you
