Subject: [External] Clarence zoning

Hello,

I live in the islington & rutherford area and would like to know what I can do to help STOP the zoning change for Clarence ave and Mr Nicolini's plan of building on the land. I am unable to attend the meeting online because I work those nights but I want to have my displeasure known and would like to vote against it. I have lived in the area for many years and do not agree that anything should be built to that extensive extreme. I would actually like nothing to be built.

Please let me know what I need to do or whom I need to write to in order for my vote to be counted.

Thank you
Sonia
