Subject: [External] In reference to Block Plan Application File BL.60E2018

Good Afternoon,

Re: Block Plan Application File BL.60E2018

Thank you for the recent notice respecting the captioned development proposal in the vicinity of Canadian Pacific Railway Company (CP)'s mainline at mileage 55.8, Hamilton Subdivision.

CP's approach to development in the vicinity of rail operations is encapsulated by the recommended guidelines developed through collaboration between the Railway Association of Canada and the Federation of Canadian Municipalities.

Those guidelines are found at the following website address:

<http://www.proximityissues.ca>

The safety and welfare of residents can be adversely affected by rail operations. CP is not in favour of residential uses that are not compatible with rail operations. Should the captioned development proposal receive approval, CP respectfully requests that the recommended guidelines be followed.

Sincerely,

CP Proximity-Ontario
