Subject: [External] Notice of hearing - minor variation A182/19 for 1 Edison Place Maple(applicant: Mimi Khuu)

To Whom It May Concern

We have received captioned notice .

Though we don't know much about Mimi Khuu, we can see from our property across the Carrier Crescent the stairs and deck at 1 Edison Place which look quite well. This looks to us the nice addition to beautify the property. It really looks amazing.

Many thanks

Girish Malik
