## **Background**

The Application would permit a 18,585 m<sup>2</sup> one-storey employment building with a two-storey office component (the 'Development') subject to Site Development File DA.18.085, and future employment uses ('Phase 2'), as shown on Attachments 2 and 3.

### **Analysis and Options**

***The Application conforms to Vaughan Official Plan 2020 ('VOP 2010') subject to the "Natural Areas" designation limit being finalized through the submission and approval of environmental reports***

#### **Official Plan Designation:**

- "Prestige Employment" and "Natural Areas" by Schedule 13 "Land Use" in VOP 2010
- The "Prestige Employment" designation permits employment buildings
- The area designated "Natural Areas" does not permit any development or site-alteration and is subject to the "Core Features" policies in Section 3.2 of VOP 2010. Section 3.2.3.11 of VOP 2010 permits modifications to the boundaries of the "Natural Areas" designation without an amendment to VOP 2010, subject to the submission of appropriate environmental studies
- The Owner has submitted an Environmental Impact Study ('EIS') prepared by Beacon Environmental and dated December 15, 2020, as part of the Application to confirm the modification of the "Natural Areas" designation boundary
