Applicant: Manbir Sodhi & Ramdeep Grewal

Agent: Solda Pools Ltd.

Property: 2 Rosebud Ct Kleinburg

Zoning: The subject lands are zoned R1 and subject to the provisions of Exception 9(1162) under By-law 1-88 as amended.

OP Designation: Vaughan Official Plan 2010 ('VOP 2010'): "Low-Rise Residential"

Related Files: None

Purpose: Relief from By-law 1-88, as amended, is being requested to permit the construction of a proposed accessory structure (cabana) to be used to store pool equipment.

The following variances are being requested from By-Law 1-88, as amended, to accommodate the above proposal:

By-law Requirement	Proposal
1. A minimum rear yard setback of 7.5 metres is required to an accessory structure.	1. To permit a rear yard setback of 3.12 metres to an accessory structure.
2. A minimum interior side yard setback of 1.5 metres is required to an accessory structure.	2. To permit an interior side yard setback of 1.04 metres to an accessory structure.

Staff & Agency Comments

Please note that staff/agency comments received after the preparation of this Report will be provided as an addendum item to the Committee. Addendum items will shall only be received by the Secretary Treasurer until **noon** on the last business day **prior** to the day of the scheduled Meeting.

Committee of Adjustment:

Public notice was mailed on January 21, 2021

Applicant confirmed posting of signage on January 20, 2021

Property Information	
Existing Structures	Year Constructed
Dwelling	2015 (Purchased May 2020)

Applicant has advised that they cannot comply with By-law for the following reason(s): Inadequate lot space to facilitate construction and meet required setbacks (rear & side yard). Swale grading on property requires pool & structure to be located further towards rear of property (swale between home and pool).

Adjournment Request: None.

Building Standards (Zoning Review):

Stop Work Order(s) and Order(s) to Comply: There are no outstanding Orders on file.

Building Permit No. 12-000626 for Single Detached Dwelling - New, Issue Date: May 25, 2012
Building Permit No. 12-000626 for Single Detached Dwelling - Alteration, Issue Date: Feb 04, 2014
Building Permit No. 20-112348 for Shed/Gazebo - New, Issue Date: (Not Yet Issued)

The applicant shall be advised that additional variances may be required upon review of detailed drawing for building permit/site plan approval.

Please note Section 4.1.1(b) that states the maximum height of an accessory building or structure measured from the average finished ground level to the highest point of the said building or structure shall be 4.5 metres. The nearest part of the roof shall not be more than three (3) metres above finished grade.

An A/C unit and/or pool equipment shall be setback a minimum of 1.2 metres from the interior side lot line; and may encroach a maximum of 1.5 metres into the required rear yard or exterior side yard.

Building Inspections (Septic):

No comments or concerns

Development Planning:

Vaughan Official Plan 2010 ('VOP 2010'): "Low-Rise Residential"

Staff Recommendations:

Staff and outside agencies (i.e. TRCA) act as advisory bodies to the Committee of Adjustment. Comments received are provided in the form of recommendations to assist the Committee.

The Planning Act sets the criteria for authorizing minor variances to the City of Vaughan's Zoning By-law. Accordingly, review of the application considers the following:

- ✓ That the general intent and purpose of the by-law will be maintained.
- ✓ That the general intent and purpose of the official plan will be maintained.
- ✓ That the requested variance(s) is/are acceptable for the appropriate development of the subject lands.
- ✓ That the requested variance(s) is/are minor in nature.

Should the Committee find it appropriate to approve this application in accordance with request and the sketch submitted with the application as required by Ontario Regulation 200/96, the following conditions have been recommended: N/A

Conditions

It is the responsibility of the owner/applicant and/or authorized agent to obtain and provide a clearance letter from respective department and/or agency. This letter must be provided to the Secretary-Treasurer to be finalized. All conditions must be cleared prior to the issuance of a Building Permit.

Please Note:

Relief granted from the City's Zoning By-law is determined to be the building envelope considered and approved by the Committee of Adjustment.

Development outside of the approved building envelope (subject to this application) must comply with the provisions of the City's Zoning By-law or additional variances may be required.

Elevation drawings are provided to reflect the style of roof to which building height has been applied (i.e. flat, mansard, gable etc.) as per By-law 1-88 and the Committee of Adjustment approval. Please note, that architectural design features (i.e. window placement), that do not impact the style of roof approved by the Committee, are not regulated by this decision.

Notice to the Applicant – Development Charges

That the payment of the Regional Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Regional Development Charges By-law in effect at the time of payment.

That the payment of the City Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the City's Development Charges By-law in effect at the time of payment.

That the payment of the Education Development Charge if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Boards of Education By-laws in effect at the time of payment

That the payment of Special Area Development charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and The City's Development Charge By-law in effect at the time of Building permit issuance to the satisfaction of the Reserves/Capital Department.

COMMENTS:

- ☐ We have reviewed the proposed Variance Application and have no comments or objections to its approval.
- ☒ We have reviewed the proposed Variance Application and have no objections to its approval, subject to the following comments (attached below).
- ☐ We have reviewed the proposed Variance Application and have the following concerns (attached below).

Alectra Utilities (formerly PowerStream) has received and reviewed the proposed Variance Application. This review, however, does not imply any approval of the project or plan.

All proposed billboards, signs, and other structures associated with the project or plan must maintain minimum clearances to the existing overhead or underground electrical distribution system as specified by the applicable standards, codes and acts referenced.

In the event that construction commences, and the clearance between any component of the work/structure and the adjacent existing overhead and underground electrical distribution system violates the Occupational Health and Safety Act, the customer will be responsible for 100% of the costs associated with Alectra making the work area safe. All construction work will be required to stop until the safe limits of approach can be established.

In the event construction is completed, and the clearance between the constructed structure and the adjacent existing overhead and underground electrical distribution system violates the any of applicable standards, acts or codes referenced, the customer will be responsible for 100% of Alectra's cost for any relocation work.
