Office of the Clerk- Committee of Adjustment
2141 Major Mackenzie Drive Vaughn ON

Dear Committee

We would like to support the application. At this time the property has been vacant for several years and is detracting from the street scape. We welcome the initiative to improve the neighborhood with an overhaul of this property.

We live at 36 Broda Drive and this is the view out of our front window. Having lived here since 1987 we are aware of the river conditions and feel this is a reasonable request as the house directly opposite the subject property was completely rebuilt new over the last 5 years. Please accept this as notice of request for a copy of your decision.

Sincerely,

Gregory
