Subject: [External] Cat Shelter

I see a sign posted at 1435 Centre street, Thornhill. ON. **File # A130/20**

This property is well kept and very quiet causing no disturbances.

North Toronto cat Rescue does an amazing job at rescuing cats off the streets.

They are all seen by a vet and fixed, preventing more unwanted cats.

This project serves the area very well in rescueing injured, homeless and abandoned cats.

This helps to reduce the population.

I have visited the shelter and it was very clean and all cats looked happy and well fed.

This is a well deserved project and very much need in our area.
