For presentation at the hearing for North Toronto Cat Rescue on Feb 4, 2021.

I have worked for NTCR for 14 years as volunteer.

I fully support NTCR and would like their application for the building to be considered as a Animal Shelter.

North Toronto Cat Rescue rescues stray cats from the streets, houses them, spays/neuters them and adopts them out to responsible adopters. This must surely be a very attractive proposition for the City of Vaughan, as all this done at no expense to the city.
