Subject: Vaughan - Forestry - Complete With Conditions (ATTWALAP)

Please note that Vaughan - Forestry process is now complete for a COA folder with the following details:

File No: A003/21

Type: Minor Variance - Residential, Agricultural, Institutional

Address: 9 Giotto Cr

Comments:1. Construction/Infill Tree Permit Application and Arborist Report received and is under review with Forestry. Forestry has 30 days to process the application once all requirements have been met. Case number 816624 for reference.

Conditions:Applicant/Owner must obtain a construction/infill private property tree removal/protection (protection only) permit with the Forestry Division. Hoarding shall be installed to the satisfaction of Forestry Division.
