Re: File: A144/20
Applicant: Angela Hage
Address: 4 Olympia Gate, Woodbridge

April 2, 2021

Committee of Adjustment:

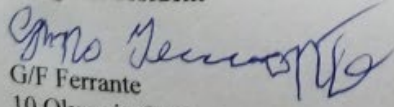

I, Gino/Francesca Ferrante of 10 Olympia Gate oppose this application as it will infringe on me and my legal rights being a residence at this location for over 35 years.

By-law Requirements are made and need to be respected, this proposal is:

- * It is too close to property line and proposal is not even 1/3 of the requirements of the by-law. This structure will completely block me in from natural sunlight and air flow. My view will be the back of a wall.
- *It will interfere with direct sunlight on my yearly garden, which is my pride and joy.
- *The building will not be aesthetically pleasing due to proposal position.
- **Construction has already started and water pipes/drainage has already been installed prior to this application.

Again as a resident of my home for over 35years, I believe my rights should be acknowledged and the by-laws need to be abided by.

Longtime resident
