RE: 34 Franmore Circle, Thornhill
Minor Variance Application A148/20

SENT BY EMAIL

Further to my letter emailed on March 31, 2021, please see more concerns below:

On the weekend I received the potential drawings for the 12ft (12' 4" to be exact) glass enclosure that Mr. Cohen has decided to build over the pool. Our fence is 7ft in height, this will be an "eye sore" not only for me, but for the whole neighbourhood. Mr Cohen is using the "Religion Modesty" excuse. Since I am not Orthodox, I went to the synagogue (Bayit) on Clark Ave to inquire if it is necessary to have an enclosure built around a pool. The answer I received from more than one Rabbi was "NONSENSE" it is not required.

Since I live in an Orthodox neighbourhood, I knocked on all the door within a mile radius of families with pools and not one family has an enclosure.

It has also been brought to my attention, that the Cohen's are also installing a cedar hedge , which will attract all kinds of bugs and mosquitoes.

Sincerely,

E. Vilensky
