

CITY OF VAUGHAN
EXTRACT FROM COUNCIL MEETING MINUTES OF APRIL 20, 2021

Item 1, Report No. 19, of the Committee of the Whole (Working Session), which was adopted without amendment by the Council of the City of Vaughan on April 20, 2021.

1. 2018-2022 TERM OF COUNCIL SERVICE EXCELLENCE STRATEGIC PLAN - YEAR 2 PROGRESS REPORT

The Committee of the Whole (Working Session) recommends:

- 1) That the recommendation contained in the following report of the City Manager, dated April 20, 2021, be approved;**
- 2) That the presentation by staff and Communication C3, presentation material entitled, “Year 2 Key Results 2018-2022 Term of Council Service Excellence Strategic Plan”, be received; and**
- 3) That the following Communications be received:**
 - C1. Ms. Kathryn Angus, Kleinburg & Area Ratepayers' Association (KARA), dated April 20, 2021; and**
 - C2. Ms. Irene Ford, Woodbridge, dated April 20, 2021.**

Recommendations

- 1. That the year 2 (December 2019 to December 2020) Progress Report on the 2018-2022 Term of Council Service Excellence Strategic Plan be received.**

Committee of the Whole (Working Session) Report

DATE: Tuesday, April 20, 2021

WARD(S): ALL

**TITLE: 2018-2022 TERM OF COUNCIL SERVICE EXCELLENCE
STRATEGIC PLAN - YEAR 2 PROGRESS REPORT**

FROM:

Jim Harnum, City Manager

ACTION: FOR INFORMATION

Purpose

On March 8, 2021 Committee of the Whole (2), a progress report highlighting the key milestones achieved from year 2 (December 2019 to December 2020) of the 2018-2022 Term of Council Service Excellence Strategic Plan was presented. Committee members requested that the Year 2 results go to a working session for further discussion.

Report Highlights

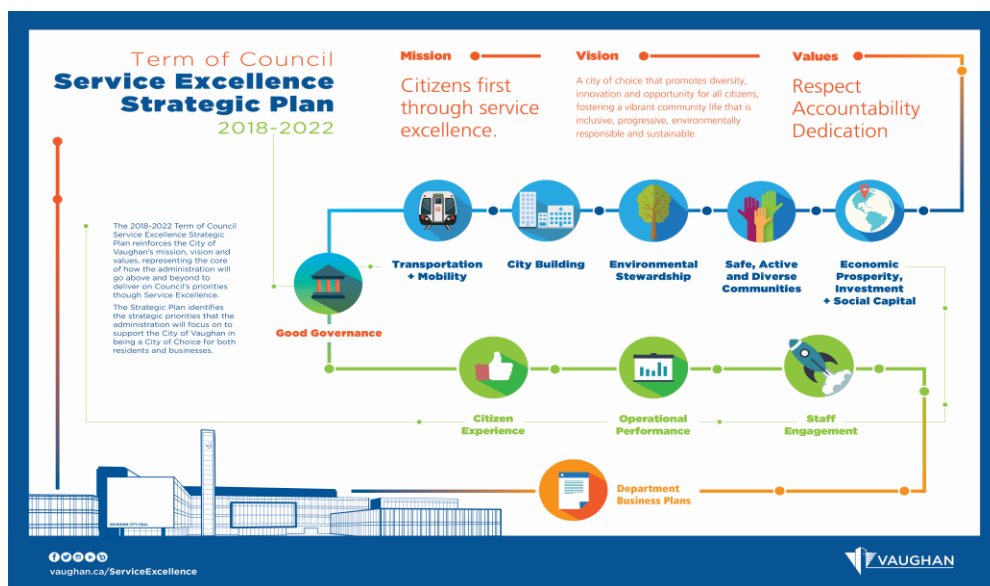

- In March 2019, Council approved the new 2018-2022 Term of Council Service Excellence Strategic Plan.
- This report provides a summary of progress made in year 2 (December 2019 to December 2020).
- The vast majority of key initiatives are on track for completion in this term of Council.
- Out of 106 key strategic activities, 16 have been completed; 68 are on track and in progress; 19 are currently being monitored for adjustments in timeline or deliverables; and 3 have not yet started or on hold.
- Despite the COVID-19 global pandemic, the City has shown great readiness, resiliency and resourcefulness in its ability to adapt and still meet its strategic priorities.

Recommendation

1. That the year 2 (December 2019 to December 2020) Progress Report on the 2018-2022 Term of Council Service Excellence Strategic Plan be received.

Background

On March 19, 2019, Council unanimously approved the 2018-2022 Term of Council Service Excellence Strategic Plan that serves as a guide that identifies Council's priorities for the Term of Council. The Strategic Plan was developed to align the City's priorities, people, processes and technology so that the City can deliver on its commitments for this term of Council. It reinforces the City's mission, vision and values, representing the core of how staff and Council will conduct its affairs, centered on a strong foundation of public engagement and equally in the operation and function of the municipality.

The Strategic Plan lays out six strategic priority areas reflective of Council objectives and three strategic priority areas of Service Excellence objectives. Each strategic priority area is further broken down into goal statements and objectives that articulate the outcome that is to be achieved at the end of this term of Council. The goal statements enable the organization to cascade them into clear, focused and measurable performance results. The strategic priority areas and objective statements provide a more comprehensive approach with a modernized strategy which allows the administration to focus on those key strategic activities that will continue to build the City of Vaughan as a world class city. The 2018- 2022 Term of Council Service excellence Strategic Plan bridges Vaughan Vision 2020 to the forthcoming Vaughan 2051 plan which is a key activity under the current Strategic Plan.

Each year of the term of Council will consist of annual updates provided to Council on the progress being made on the delivery of the Strategic Plan. The focus on the annual reporting for Year 1 centered on the major key results in the first year as well as informing Council on new initiatives that the administration has implemented to better govern and oversee the delivery of the Strategic Plan. The Year 1 (2019) progress report was provided to Council in March 2020. This Year 2 (2020) progress report provides an update on the key initiatives and takes into consideration how the City has been able to remain on course in its objectives in spite of COVID-19.

Analysis and Options

The 2018-2022 Term of Council Service Excellence Strategic Plan articulates an actionable plan, grounded in information and data, informed through various inputs and drivers, and reflective of defined responsibility and accountability. Within the context of the City's strategic directions and the utilization of the Strategic Priority Oversight Teams (SPOTs), the Administration has made significant progress in ensuring that an effective governance model is in place as it is integral to the Administration's success in delivering on Council priorities.

Strategic Plan Governance during a Global Pandemic

On March 11, 2020, the World Health Organization declared COVID-19 a global pandemic. As part of the Strategic Plan governance model, the Strategic Priority Oversight Teams (SPOTs) continued to meet on a quarterly basis to closely monitor the evolving situation and the impact to the Strategic Plan. Having had this in place, the City's administration was effectively set up to assess the impacts of the global COVID-19 pandemic on the strategic plan and assess how to pivot the strategy (where required) to address the changing environment. This monitoring has proven to be essential during the COVID-19 crisis and integral to the ability to track and assess any impacts to the strategic priorities. Throughout the pandemic, the City has ensured that quality services are delivered for families, businesses and all citizens.

FOCUS OF EACH QUARTERLY MEETING IN 2020:

The pandemic crisis has necessitated creative responses within our strategic activities and has presented opportunities to innovate, improve and change processes to effectively achieve our strategic key activities. City staff have embraced these opportunities which is making the city stronger, more innovative and agile. Despite the COVID-19 global pandemic, the City has shown great readiness, resiliency and resourcefulness in its ability to adapt and still meet its strategic priorities.

- The vast majority of key initiatives are on track for completion in this term of Council.
- Out of 106 key strategic activities, 16 have been completed; 68 are on track and in progress; 19 are currently being monitored for adjustments in timeline or deliverables; and 3 have not yet started or on hold.

The city's administration will continue to leverage new ways of doing business while still delivering quality public services.

Business Planning – Objective and Key Results (OKRs)

The Business Planning program is integral to the successful delivery of the Strategic Plan and is the method by which the Strategic Plan is carried out at the department level. The business planning process has been enhanced to ensure better alignment to Council's strategic directions and to ensure our budget and resource allocations are aligned to delivering our strategic priorities.

This has included a new approach to business planning which includes the adoption of aligning objectives, key activities and results through the OKR methodology; a risk-based approach to planning and objective setting; and utilization of cross-functional teams in the business planning process.

The Senior Leadership Team has adopted a “Measure What Matters” approach to identifying objectives and focusing on the right key activities in order to reach desired results (outcomes and outputs). The OKR approach:

- helps to ensure we collectively focus efforts in the same direction in order to deliver on the strategic plan;
- allows for departments to focus on the most important goals and helps to avoid being distracted by unaligned goals;
- measures and tracks performance in a way that helps to motivate employees to do better;
- recognizes the majority of powerful and staff-energizing OKRs originate from/with frontline contributors;
- fosters employee alignment with overall goals;
- fosters collaboration across teams and between team members;
- ensures alignment with budget to provide greater accountability.

Within the context of the OKR management methodology, the Strategic Plan objective statements and thematic areas have been effectively aligned within OKR objectives, key activities, and results. The Administration continues to build on this success to create a more robust and disciplined approach to our business planning and priority setting approach.

As part of the update on the progress of the Strategic Plan, information on the Vaughan.ca website has now and will continue to be updated on an annual basis to reflect progress made on the delivery of the Strategic Plan with the ultimate goal of having a dynamic dashboard that is updated on an ongoing basis. Members of the public are encouraged to visit the City’s website and to review the Strategic Plan Booklet which also provides detailed information.

For complete details on the progress of each key strategic initiative, please refer to Attachment 1: 2018-2022 Term of Council Service Excellence Strategic Plan – Year 2 Key Results Brochure.

Financial Impact

There is no financial impact.

Broader Regional Impacts/Considerations

The Region is a key source of partnership funding or the proponent of several priority infrastructure projects that have been identified on the Strategic Plan. City staff is actively engaging Regional staff on priority planning and infrastructure projects.

Conclusion

As COVID-19 persists, the 2018-2022 Term of Council Service Excellence Strategic Plan has shown to be resilient in progressing forward in achieving the Council priorities. The City's administration has taken a disciplined and evidence-based approach to modify where required, evolve to meet the changing needs of the organization, our citizens, our business sectors and our communities; yet still able to meet our strategic priorities for this term of Council. In addition to the efforts of the City staff and Members of Council to date, the City will continue to effectively respond to the COVID-19 pandemic and ensure the effective delivery of quality public services while ensuring the safety of our staff and residents.

resulted in creative responses within our strategic activities and has presented opportunities to innovate and improve/change processes to achieve our strategic key activities. City staff have embraced these opportunities; making the City stronger, more resilient, innovative and agile. We will continue to leverage new ways of doing business while still delivering on our strategic plan.

HIGHLIGHTS

The City has effectively progressed the Strategic Plan in 2020. Out of 106 key activities, 16 have been completed, 68 are in progress, 19 are being monitored, three have not yet started or are on hold.

Where some key activities had to pivot given the challenges brought on by the pandemic, the City's administration took a disciplined and evidence-based approach to modify, where required, or evolve to meet the changing needs of the organization, our citizens, our business sectors and our communities. The City has been ready, resilient and resourceful in its approach to carrying out the strategic plan during a global pandemic.

2018-2022 Term of Council Service Excellence Strategic Plan Key Activities (106 KEY ACTIVITIES)

- Proceeding as planned, 68 (64%)
- Monitoring progress, 19 (18%)
- Complete, 16 (15%)
- Not yet started/On hold, 3 (3%)

Activities completed in 2019:

- Co-ordinate with other levels of government on the York Region Bus Rapid Transit (Highway 7, Centre Street, Bathurst Street)
- Complete the Pedestrian and Cycling Master Plan Update
- Complete the review of Green Directions Vaughan
- Attract a post-secondary institution to Vaughan
- Promote Vaughan's City Building Projects through Mayor and Members of Council attending the 2019 trade mission to Israel organized by the Vaughan Chamber of Commerce
- Establish Alternative Work Arrangements policy and procedures
- Create and develop the Great Walks of Vaughan Program
- Advance missing links at Bass Pro Mills from Romina Drive to Jane Street
- Develop a Senior Leadership Team Governance Model

Activities completed in 2020:

- Kirby Road, from Dufferin Street to Bathurst Street Environmental Assessment (EA)
- Establish an Enterprise Project and Change Management Office
- Deliver Clark Avenue Active Transportation Facility (multimodal transportation, operational and road safety improvements)

- Land acquisition for Fire Station 7-11
- Opening of Fire Station 7-4
- Implement Phase 2 (all staff learning module) of the Talent Management System (Halogen) to all staff
- Facilitate the completion and opening of the new Cortelluci Vaughan Hospital

Activities being monitored:

The following activities are currently being monitored as they have pivoted from their original project timelines due to project delays, stakeholder interdependencies and/or COVID-19 related impacts. However, these key activities are still expected to be completed in this term of Council:

City Building

- Open new library at Cortellucci Vaughan Hospital
- Facilitate construction of Central Park (Phase 1)
- Undertake the City's Growth Management Strategy (Vaughan Vision 2051)
- Complete the City of Vaughan Official Plan Review

Transportation and Mobility

- Vaughan Transportation Plan
- Bass Pro Mills Drive, from Highway 400 to Weston EA
- Langstaff Road EA

Active, Safe and Diverse Communities

- Develop and implement modernized Property Standards, Licensing (tow trucks), road allowance (new), short term rentals (new), parking by-law (parking strategy) and

fence by-laws in accordance with the By-law Strategy

- Open new library and recreation space at the Vaughan Metropolitan Centre (VMC)

Economic Prosperity, Investment and Social Capital

- Generate alternative revenue sources through city-wide sponsorship, advertising and grants
- Increase Vaughan's brand recognition as the place to be (to think, start up, invest and visit)
- Invest in the Tourism and Accommodation Industry
- Secure Vaughan as the region's largest employment centre through programs that will help our business owners

build resilience into their businesses and adapt to the new normal

- Build economic resiliency in Vaughan's priority sectors through, for example, project and policy development related to key sectors in a post-COVID-19 context

Service Excellence

- Define the Citizen Experience (service level expectations) for each business function and align service costs with service value/benefits
- Conduct the 2020 Citizen Satisfaction Survey
- Review the development application and approval process (DAAP)

MORE THAN
5 million
views on
vaughan.ca

- Conduct the Public Works Service Level Review
- Implement Phase 3 (full performance management module for all staff) of Talent Management System (Halogen)

Activities on hold/ not yet started:

- Implement an Open Data Program (not yet started)
- Conduct the feasibility study of Fire Station 7-2 (on hold)
- Develop an Enterprise Risk Management Program (on hold)

Overview of Key Activities

Transportation and Mobility

Several projects have been initiated in 2020 to alleviate traffic throughout Vaughan. These include the Bass Pro Mills Environmental Assessment from Weston Road to Highway 400; a new bike path along Clark Avenue; the Huntington Road widening from Langstaff Road to Nashville Road; the Kirby Road extension from Dufferin Street to Bathurst Street; the Kirby Road Widening Environmental Assessment from Jane Street to Dufferin Street; the Teston Road Environmental Assessment west of Pine Valley Drive to Kleinburg Summit Way; and the Vaughan Transportation Plan.

City Building

The global COVID-19 pandemic has not slowed city-building in Vaughan. Development activity in the VMC has already exceeded residential targets for 2031; the City has managed and advanced more than 150 active capital projects and the construction of the new Cortellucci Vaughan Hospital met the building code requirements for occupancy and an occupancy permit was issued in 2020 and opened in February 2021.

Environmental Stewardship

The City has been converting streetlights to Light-Emitting Diode (LED) technology which will result in significant energy and cost savings; zero carbon emission retrofit has begun for Fire Station 7-1 and we have received Council endorsement to seek the financing to capitalize a residential energy retrofit program for Vaughan homeowners.

Active, Safe, and Diverse Communities

Projects in 2020 included the undertaking of the Garnet A. Williams Community Centre Revitalization Project; the Carrville Community Centre, Library and District Park Project; and Phase 2 of North Maple Regional Park. Recreation's programs and Vaughan Public Library have pivoted in their service delivery to online programs and curbside pickup for library books. The fire education and inspection program has adapted to meet community needs during the pandemic through the implementation of a virtual fire inspection program for vulnerable occupancies and recorded and released a series of short videos for Fire Prevention Week. The City has also managed the COVID-19 emergency through the introduction of regulatory policies, including the City's COVID-19 Emergency Measures By-law and the Temporary Outdoor Patio By-law, and continued to educate and achieve compliance with provincial orders and public health directives.

Economic Prosperity, Investment and Social Capital

In addition to progressing existing key activities, the City has responded to the global pandemic with programming, education, and regulatory measures through the Vaughan Business Action Plan and the Vaughan Business Resilience Plan.

A variety of resources and relief programs continue to be successfully utilized by businesses throughout the community, including frontline services via telephone, teleconference or online. While the global pandemic persists, the City of Vaughan continues to take action to help local businesses recover from the unintended consequences of the virus.

Good Governance

Launched first round of public engagement for the Ward Boundary Review; Council approved the 2021 Budget and 2022 financial plan and the Mayor introduced a Member's Resolution to establish a Ready, Resilient, Resourceful (RRR) committee which was unanimously endorsed by Council. The mandate of this new committee has been to report on issues related to the City's ongoing response efforts to the global COVID-19 pandemic. The RRR committee developed a roadmap for success which provides the key objectives and framework for the City's response, mitigation, and recovery related to the COVID-19 emergency.

Service Excellence

An additional five service types were added to the customer relationship management system to increase services for citizens including solid waste, blue box collection, green bin collection, garbage collection and yard waste collection. A new digital permitting portal was launched, enabling citizens and building industry professionals to apply, track and pay for permits online. The City implemented more than 160 process innovations and improvements as a result of COVID-19 to ensure the continued delivery of public services. Through Alternative Work Arrangements, the work of our corporation continues without disruption. Currently, more than 50 per cent of City employees continue to work from home.

TRANSPORTATION AND MOBILITY

STRATEGIC GOAL STATEMENT:

To be a fully-connected and integrated community, the City will undertake initiatives to improve the municipal road network, support the development of transit and increase cycling and pedestrian infrastructure.

OBJECTIVE: Enable a Climate for Job Creation

STATUS	KEY ACTIVITY	COMMENTS
●	Develop Vaughan as an entrepreneurial and small-business and innovation hub	On Target/In Progress
●	Promote Vaughan’s advantages, strategic projects, market opportunities and local businesses in targeted global centres (International Business Development)	On Target/In Progress
●	Promote the development of Vaughan’s industrial sectors and business parks	On Target/In Progress
▲	Increase Vaughan’s Brand Recognition as the place to be (to Think, Start-up, Invest and Visit)	Monitoring: COVID-19 continues to impact this activity via restrictions on spending and hosting/attending in-person events.
●	Contribute to the development of a complete community in the VMC by improving awareness of the VMC as a premier office and retail business location, activating public spaces through signature events, and setting the stage for a creative and cultural hub	On Target/In Progress
▲	Secure Vaughan as the Region’s largest employment centre through programs that will help our business owners build resilience into their businesses and adapt to the new normal (newly added 2020 key activity in response to COVID-19)	Monitoring: Due to staffing constraints, this will be progressing at a slower pace than originally anticipated.

GOOD GOVERNANCE

STRATEGIC GOAL STATEMENT:

To effectively pursue Service Excellence in governance and fiscal responsibility, the City will hold the public's trust through inclusive, transparent and accountable decision-making, responsible financial management, and superior service delivery and effective communication.

OBJECTIVE: Commitment to Citizen Service

STATUS	KEY ACTIVITY	COMMENTS
	Define the Citizen Experience (service-level expectations) for each business function and align service costs with service value/benefits	Monitoring: Project start-up delayed in 2020 due to pivoting resources to support COVID-19 response. Currently in the preliminary planning phase.
	Conduct the Citizen Satisfaction Survey	Monitoring: Was originally scheduled for 2020; currently being reassessed given the pandemic.

OBJECTIVE: Transform Services through Technology

STATUS	KEY ACTIVITY	COMMENTS
	Implement the Customer Relationship Management System	On Target/In Progress: An additional five service types were added to increase services for citizens including solid waste, blue box collection, green bin collection, garbage collection and yard waste collection.
	Implement Digital Strategy Initiatives	On Target/In Progress
	Implement an Open Data Program	Not Yet Started: Open Data, as a specific initiative has not commenced given resources shifting in response to the pandemic. In reviewing the data strategy, Open Data has been recalibrated, and is now dependent on the Data Catalogue initiative. This new approach first aims to build a culture of data sharing internal to the City before expanding to sharing data via Open Data.
	Implement the new vaughan.ca website	On Target/In Progress

OPERATIONAL PERFORMANCE

STRATEGIC GOAL STATEMENT:

To continue to foster a culture of continuous improvement, the City will support competencies and practices in innovation and process efficiencies.

OBJECTIVE: Promote Innovation and Continuous Improvement

STATUS	KEY ACTIVITY	COMMENTS
●	Establish a Strategic Innovation and Process Improvement function and create a culture of continuous improvement (leverage existing and new technology and systems)	On Target/In Progress
▲	Implement continuous improvement initiatives and business process reviews to improve operations and service delivery/service modernization: a) Review and enhance the Development Application and Approval process (DAAP)	Monitoring: Timeline delays to allow for the upgrade of internal software solution.
●	b) Implement the Finance Modernization project	On Target/In Progress
▲	c) Conduct the Public Works Service Level Review	Monitoring: Pivot from external consultant to in-house project delivery which has impacted original timelines.
●	d) Counter Service Transformation (newly added key activity in 2020)	On Target/In Progress: New vision to modernize and transform the City's counter service delivery; working towards the implementation of a one-stop-shop, integrated service approach for the citizen.
●	e) Develop Contract Management Framework (newly added key activity in 2020)	On Target/In Progress
●	f) Implement Ideas @ Work (newly added key activity in 2020)	On Target/In Progress

STAFF ENGAGEMENT

STRATEGIC GOAL STATEMENT:

To ensure an engaged workforce, the City will continue to foster initiatives that create a positive work environment through staff development, and workplace health, safety and wellness with strengthened leadership, communication and engagement opportunities.

 Completed
  On Target/In Progress
  Monitoring
  Not Yet Started

OBJECTIVE: Empower Staff

STATUS	KEY ACTIVITY	COMMENTS
	Foster a culture of Service Excellence by increasing staff engagement (conduct staff engagement surveys)	On Target/In Progress: Staff engagement survey completed in November 2019; ongoing initiatives to enhance staff engagement.
	Develop a Workplace Wellness Program	On Target/In Progress
	Establish Alternative Work Arrangements (AWA) Policy and Procedures	Completed: AWA Policy and Procedures developed along with Telework resources and support provided to leaders and staff. More than 50 per cent of the City's employees continue to effectively and productively work from home. The pandemic has accelerated this initiative and proved working from home (where operationally feasible) to be successful.
	Continue the delivery of the Learning and Organizational Development Program	On Target/In Progress: Due to COVID-19, pivoted learning and development courses to virtual offerings were made available so learning and development could continue throughout the organization for all staff.

OBJECTIVE: Develop Leadership

STATUS	KEY ACTIVITY	COMMENTS
	Develop a Senior Leadership Team Governance Model	Completed
	Develop and Implement a Succession Planning Framework	On Target/In Progress: Succession Planning Framework approved by Senior Leadership Executive.
	Develop a Mentorship Program	On Target/In Progress: Program will be rolled out with the Emerging Leaders program as a pilot to the larger organizational mentorship program. Draft plan is currently underway.
