Dear Sir or Madam,

Re: Official Plan Amendment File OP.11.011

Re: Zoning By-Law Amendment File Z.11.042

Re: Ozner Corporation (South) - 10131 Weston Road (vicinity of Weston Road and Retreat Boulevard

We are the owners of a residence located within 500m of this proposed project. We are writing to strongly object to the above-noted proposed zoning by-law amendment which Ozner Corporation South (“Ozner”) is pursuing at the City of Vaughan.

Our reasons for objecting are as follows.

We purchased our home from the previous owner under the impression that plot of land on which the above development is being proposed will be a low rise commercial/retail plaza much like the rest of the neighborhood. That is something that we have seen on many corners in residential subdivisions, and we took that as being the official plan for the neighbourhood.

6 years ago, Ozner put forth a proposal to build a residential development of two 12-storey towers. That got shut down now they come back again with the new proposed 9-storey residential apartment building containing 192 units and 10 Townhouse units.

It is our position that the current proposed development is very problematic for the same reasons as the previous proposal. In addition to greatly adding to the density, congestion, and traffic in the neighbourhood, it will also have negative affect on the aesthetic and price of homes. The 9-storey building will take away the sunlight that shines on our homes and will take away the privacy that we enjoy in our backyards.

Although we appreciate that Vaughan may wish to create further population growth in the City, the middle of a residential neighbourhood is not the place to do it. Condominiums along Major streets that don't affect the sun or the privacy of your citizens is the way to improve your density for a tax base. This site is not the place for such a development!

In summary, Ozner's plan for this neighbourhood is out of place, unreasonable and inappropriate. Further, we submit that the City of Vaughan should not condone the actions of misrepresentation by Lormel (and its related company Ozner) when selling homes to citizens operating in good faith.

We therefore strongly urge the City of Vaughan to reject the proposed amendment in its totality so that the plot of land remains as originally zoned – that is – for a low rise commercial plaza. In

the alternative, we ask that the City of Vaughan reject the building of the 9-storey structure specifically, and only allow for the building of townhomes on the property.

We thank you for your time and consideration. Should you have any questions, or wish to discuss this matter with us, please do not hesitate to contact us.

All of which is respectfully submitted.

Sincerely,

Kailash Kaushal
