Subject: [External] [Newsletter/Marketing] new building kipling & 7

My name is Robert D'Angelo and I have been a resident of ■ Angelina Avenue for more than 22 years. The purpose of this email is to offer my support for the development applications submitted by 919819 Ontario Ltd. And 1891445 Ontario Ltd., for the lands at 5217 and 5225 Highway 7 & 26 and 32 Hawman Avenue. It is my opinion that the proposed development represents the appropriate and much needed evolution of the area and will provide an opportunity for myself and those in a similar stage of life to downsize for our current homes, but continue living in the neighbourhood. The owner has shown a willingness to work with our community to address the concerns that have been raised, particularly with respect to the funneling of cars onto local streets (Hawman Avenue) and I believe that the proposal before Council is a compromise that we can all be proud of. Our neighbourhood has many positive attributes, but is lacking in the variety of types of dwellings that are available. This development will help to improve that. Thank you very much.
