Subject: [External] Condo Development 4101 Rutherford Road support the people of the neighbourhood

Dear Mayor and members of Regional and City Council.

My name is Giulio Maglio and I live at [REDACTED] Colucci in the City of Vaughan. I'm writing this email in opposition to the proposed condo development at 4101 Rutherford Road.

We are experiencing one of the most difficult times in our lives with the Covid 19 global pandemic and it has taught us that we cannot be selfish in our actions. The collective message for us has been to follow the rules and support each other.

History has shown us that often times goodness has followed our lowest points and we change our

path to forever do good and make progress.

My point is simply this. As voters we feel that in the past we have witnessed the progress of a few take precedence over the desire of many.

Please reconsider this condo development. Kindly understand that the vast majority of local residents are against this and voting in favour of it shows us that you are not there to support the only path for the goodness and progress of our Neighbourhood.

Respectfully,

Giulio Maglio
