Subject: [External] Proposed developments at 180 Steeles Ave. West and 100 Steeles Ave. West

Dear Mr. Coles,

Please register my objection to the proposed development plans at the Yonge & Steeles neighbourhood for the following reasons:

1. The proposed density is between double and triple that allowed in the Secondary Plan
2. The proposed height is more than double what is currently allowed in the

Secondary Plan

3. There has been little to no consultation with the community
4. The existing facilities/infrastructure cannot support this large an increase in population

Please keep me informed of any actions Council may take on these proposals.
