Subject: [External] Yonge-Steeles Development

Dear Mr. Coles,

Please register my objection to the proposed development plans at the Yonge & Steeles neighbourhood because (pick one or two reasons to include in your email):

- 1. The proposed density is between double and triple that allowed in the Secondary Plan
- 2. The proposed height is more than double what is currently allowed in the Secondary Plan
- 3. The proposals do not enhance the existing neighbourhood
- 4. The facilities being proposed are only for the benefit of the residents who live in the proposed developments
- 5. There has been little to no consultation with the community
- 6. The existing facilities/infrastructure cannot support this large an increase in population

Please keep me informed of any actions Council may take on these proposals.
