Subject: [External] Proposed Yonge/Steeles development

Dear Mr. Coles,

Please register my objection to the proposed development plans in the Yonge & Steeles neighbourhood because:

1. The proposed density is between double and triple that allowed in the Secondary Plan
2. There has been little to no consultation with the community
3. The existing facilities/infrastructure cannot support this large an increase in population

Please keep me informed of any actions Council may take on these proposals.
