Dear Sir/Madame,

I am the owner of the townhouse located at 15 Spruce Pine Crescent and I am **strongly opposed** to the relief requested to permit the existing deck and shed on top of the deck located in the rear yard at 17 Spruce pine Crescent.

The shed is very high above the fence, all I can see from the windows of the most beautiful room in my house is this enormous shed.
It is also blocking the sunlight to the room.

This makes me and my family very upset, we are not able to fully enjoy the stay in the house, not mentioning it also put the market price of my house down.

The deck is very high too, when person is on the deck, she can easily look over the fence to my backyard so I have no privacy.

The both shed and the deck need to be lowered as per By-law requirement.

Please see a couple of pictures taken from the window of my living room attached to this letter.
Also attached is request for decision.
