Subject: [External] Tower A and B proposed by 2371933 Ontario Inc.

I am in favor of development but this proposal as is must not proceed unless the stories of the buildings changes to 30 or less. We have enough high storey structures in the area at Weston and 7 and close by at the subway. Enough is enough. The congestion will be too much . Please do not allow this proposal to proceed.

Thankyou

Lou Spagnuolo
