City Wide Comprehensive Zoning By-law Review

Hon. Mayor Bevilacqua & Members of Council,

KLM Planning Partners is pleased to submit the following on behalf of our client, Cal-Crown Homes (Three) Inc. c/o Caliber Homes with respect to the above noted lands (the "Subject Lands"). We have reviewed the Committee of the Whole (2) Report and recommendation with respect to the above noted agenda item and we are concerned with how the proposed City-wide Comprehensive Zoning By-law may impact the Subject Lands.

Our client has an approved draft plan of subdivision with an approved implementing zoning by-law amendment which is not fully registered and not all building permits have been obtained. Furthermore, our client has relied on By-law 1-88, as amended in designing, marketing and the sale of dwellings. The zoning By-law amendment application for the Subject Lands which amends the provisions of By-law 1-88 conforms to the Vaughan Official Plan 2010, represent good planning and was approved by Vaughan Council. We are not satisfied that the new provisions will allow the registration and issuance of building permits for these lots as permitted in By-law 1-88, as amended.

With respect to the Exception Zones section of the CZBL, we do not feel it is appropriate that the exceptions that were originally intended to amend the provisions of By-law 1-88, be applied to the base zone requirements of the CZBL which has different provisions, additional provisions and different definitions than By-law 1-88.

With respect to the Transition clauses of the CZBL, we do not believe the provisions will ensure draft approved plans of subdivision that have not been registered and where building permits have not been obtained will be exempt, allowing the existing approved implementing zoning by-laws to govern.

It would be our preference that the Subject Lands be left out of CZBL and that said lands be governed by Zoning By-law 1-88 until such time as the plan of subdivision is registered and building permits for all lots and blocks have been successfully obtained. To that end, we believe By-law 1-88 should not be repealed; rather, lands which would be subject to the new CZBL could simply be removed from By-law 1-88 while the above noted lands shall remain within and be subject to the provisions of By-law 1-88, as amended. Alternatively, additional clear transition provisions are required that specify that the existing approved zone categories, exceptions and all provisions of By-law 1-88, as amended, continue to apply.

Based on the foregoing, we would request that Committee and Council not include in the resolution, as recommended by staff, that By-law 1-88, as amended, be repealed and that they direct the above changes before the adoption of the CZBL and direct these requested changes prior to adoption. In addition, we request further notice of future Committee or Council meetings and future notice of adoption of the CZBL.

Sincerely,

KLM PLANNING PARTNERS INC.
