Subject: [External] Jane Teston Holdings/Giotto Cresc community

We have received recent communication that Jane Teston Holdings is continuing with their application for a 12 story structure right behind where we live.

We are apposed to this. This is a quiet neighborhood. We have live here 19 years. Your approval to this atrocity will take away from this peaceful community environment. This development will have a negative impact on the value of our homes. The height of the building will overshadow my/our homes, create extensive traffic, safety and privacy issues, destroy the feel and integrity of our suburban-like community and again reduce the value of our homes.

As a reminder this parcel of land is designated a sacred burial ground for our First Nation People. A plaque is in place on site. They will be notified?

We realize that the land is prime real estate and we were told that in the future more houses would be built ...hence the name Giotto CRESCENT. Obviously some thought was given to this area to name our street a crescent Anytime type of single family housing is something that the community would approve. Definitely not a high rise.

As a supporter and tax payer your first obligation is to your existing community members. Our concerns should and must come first.

For these reasons and more we appose the 12 story building in our backyards

Regards
Cathy Bilotta
