Subject: [External] Jane Teston holdings CONDOS

To whom it may concern:

I am a resident on Giotto cres.

We have been trying to deal with this for years.

My backyard will face the 12 story condo, yes that will definitely impact my family and my neighbours. I have been living her for 18 yrs.

and I understand there is land for future development.

I don't understand why a condo let alone 12 story. All our Privacy will be gone the street will open and all the family's with small children play on there front property's will be gone.

Pls I pray this will not happen.
