**Re: Final Draft City-wide Comprehensive Zoning By-law (June 2021)**  
**69 & 73 Nashville Road**  
**City of Vaughan, Region of York**

EMC Group Limited acts as the planning consultant for the property owners of 69 & 73 Nashville Road, Vaughan. The comments to follow outline our concerns with the Final Draft of the Comprehensive Zoning By-law dated June 2021.

We would like to discuss the implications of maintaining the existing site-specific exception E-915 on the subject property in relation to the proposed Main Street Mixed Use - Kleinburg Zone (KMS) as outlined in the City-wide Comprehensive Zoning By-law (June 2021).

Should you have any questions please do not hesitate to contact the undersigned.

Dear Sir,

**Re: Final Draft City-wide Comprehensive Zoning By-law (June 2021)**  
**240 Fenyrose Crescent**  
**City of Vaughan, Region of York**

EMC Group Limited acts as the planning consultant for the property owners of 240 Fenyrose Crescent, Vaughan. The comments to follow outline our concerns with the Final Draft of the Comprehensive Zoning By-law dated June 2021.

EMC Group Limited have provided comments to City of Vaughan Staff (October 23, 2020, Communications No. 16) in reference to the proposed land use zoning (please see attachment). We note the rear portion of 240 Fenyrose Crescent continues to be zoned incorrectly. In Schedule A- Map 107 (May 2021), the By-law illustrates the subject property as Estate Residential (RE) & Public Open Space (OS1-198). We note the lands are private property and should not be zoned for public uses.

For these reasons we object to the proposed zoning of the property. It is our understanding that OS1 is a zone provided for park uses (not for private residential properties).

We note a meeting was held with City Staff on April 9, 2021 & April 12, 2021 to discuss the merits of our previously made comments. However, details regarding the outcome for the subject lands were not provided at the time and this is our first opportunity to see the proposed zoning details.

Should you have any questions please do not hesitate to contact the undersigned.

Yours Truly,

**EMC GROUP LIMITED**

Dear Sir,

**Re: Comments on City-wide Comprehensive Zoning By-law**  
**240 Fenytrose Crescent**  
**City of Vaughan, Region of York**

EMC Group Limited acts as the planning consultant for the property owners of 240 Fenytrose Crescent, Vaughan. The comments to follow outline our concerns with the Third Draft of the Comprehensive Zoning By-law dated September 2020.

We note that in the Vaughan Official Plan 2010, the subject lands are entirely designated "Low-Rise Residential" which allows for low-rise residential uses. In reference to the Comprehensive Zoning By-law Schedule A- Map 107 (September 2020), the By-law illustrates the subject property as Estate Residential (RE) & Environmental Protection (EP-198). Within the Third Draft of the Comprehensive Zoning By-law 2020 the proposed Environmental Protection zoning for the rear of the subject property does not conform to the City of Vaughan Official Plan 2010 Schedule 13.

From our research, we understand that during the development of the Plan of Subdivision a man-made concrete lined channel was constructed to convey the external drainage from the Weston Downs Subdivision, and that the lands were void of any vegetation when purchased by the current owner. In the last 20 years the owner undertook to landscape the area to its current state similar to the surrounding executive community. The attached air photo gives an overview of the surrounding lands. It is noted that the surrounding lands exhibit the same attributes and all other surrounding properties have remained entirely in the Estate Residential Zone (RE).

For this reason we do not agree with the partial Environmental Protection Zone (EP) of the subject property as seen in Attachment 2.

Should you have any questions or concerns, we are open to meet with you to discuss the merits of this request.

Yours Truly,

**EMC GROUP LIMITED**

Dear Sir,

**Re: Final Draft City-wide Comprehensive Zoning By-law (June 2021)**  
**1431613 Ontario Limited**  
**9867 Highway 27**  
**City of Vaughan, Region of York**

EMC Group Limited acts as the planning consultant for 1431613 Ontario Limited with respect to the lands known as 9867 Highway 27, Vaughan. The comments to follow outline our concerns with the Final Draft of the Comprehensive Zoning By-law dated June 2021.

EMC Group Limited have provided comments to staff at the City of Vaughan (October 27, 2020, Communication No. 28) in reference to the proposed land use zoning of 9867 Highway 27 (Please see attachment). In reference to the Comprehensive Zoning By-law Schedule A- Maps 138 and 139 (May 2021) the By-law continues to illustrate the subject property in its entirety, as Environmental Protection (EP-459). The Environmental Protection land designation over the entire 9867 Highway 27 property does not conform to the existing land use designations as outlined in the Vaughan Official Plan (2010) or the OPA #610.

The City of Vaughan Official Plan (2010) Schedule 13 Land Use designates the property as "Low-Rise Residential" which allows for low-rise residential uses. The subject property is further designated as a "Valley Policy Area 4" by Official Plan Amendment #610 which permits a "Residential enclave development".

Furthermore, the subject property is currently zoned Agricultural (A) and not designated for conservation uses in By-Law 1-88.

For these reasons we object to the proposed zoning of the property.

We note a meeting was held with City Staff on April 9, 2021 & April 12, 2021 to discuss the merits of our previously made comments. However, details regarding the outcome for the subject lands were not provided at the time and this is our first opportunity to see the proposed zoning details.

Should you have any questions please do not hesitate to contact the undersigned.

**Attention: Todd Coles**  
**City Clerk**

Email: Clerks@vaughan.ca

Dear Sir,

**Re: Comments on City-wide Comprehensive Zoning By-law**  
**1431613 Ontario Limited**  
**9867 Highway 27**  
**City of Vaughan, Region of York**

EMC Group Limited acts as the planning consultant for 1431613 Ontario Limited with respect to the lands known as 9867 Highway 27, Vaughan. The comments to follow outline our concerns with the Third Draft of the Comprehensive Zoning By-law dated September 2020.

Our comments with respect to the City-Wide Comprehensive Zoning By-Law are in regards to the rezoning of the Subject Lands from Agricultural Zone (A) to Environmental Protection (EP). In reference to the Comprehensive Zoning By-law Schedule A- Maps 138 and 139 (September 2020) the By-law illustrates the subject property in its entirety, as Environmental Protection (EP-459).

We note that the Environmental Protection land designation over the entire 9867 Highway 27 property does not conform to the existing land use designations as outlined in the Vaughan Official Plan (2010) or the OPA #610 (Valley Policy Area 4). The City of Vaughan Official Plan (2010) Schedule 13 Land Use designates the property as "Low-Rise Residential" which allows for low-rise residential uses. The subject property is further designated as a "Valley Policy Area 4" by Official Plan Amendment #610 which permits a "Residential enclave development" (See Attached).

In the Second Draft of the Comprehensive By-law (January 2020) the lands were more accurately reflected as Future Development (FD) and Conservation (C), to which we had previously expressed concerns regarding the by-law schedules and online interactive mapping not corresponding correctly. To our surprise, the updated mapping included in the Third Draft (September 2020) version has been changed inaccurately, further not reflecting the Official Plan and OPA in force.

Map images from the Second Draft City Wide Comprehensive By-law (Jan 2020) and the third draft (Sept. 2020) are appended below for ease of reference.

Image 1: Second Draft Comprehensive By-law Schedule A- Maps 138 & 139 (January 2020)

★ Subject Lands

Image 2: Third Draft Comprehensive By-law Schedule A- Maps 138 & 139 (September 2020)

★ Subject Lands

We respectfully request that the Zoning By-Law designations on the subject property be changed to Future Development (FD). This would be consistent with existing planning legislation as per the City of Vaughan Official Plan (2010) and OPA #610 (Valley Policy Area 4).

It is noted that we have actively participated during the various stages of the Vaughan Comprehensive Zoning By-Law process. To date we have not received comments from City Staff. We attach copies of our correspondence.

Should you have any questions or concerns regarding the request, we ask that you please do not hesitate to contact our office.

Yours Truly,

**EMC GROUP LIMITED**

Certificate of Approval

AMENDMENT No. 610

TO THE

OFFICIAL PLAN FOR THE

CITY OF VAUGHAN PLANNING AREA

This official plan document which was adopted by the Council of the Corporation of the City of Vaughan is approved, as modified, pursuant to Sections 17 and 21 of the Planning Act and came into force on December 17, 2004.

Date: May 18/04

Heather Konefat, M.C.I.P., R.P.P.  
Director of Community Planning  
The Regional Municipality of York

## I PURPOSE

The purpose of this Amendment to the Official Plan is to amend OPA #601, the Kleinburg-Nashville Community Plan, by redesignating the lands currently designated as "Regional Road 27 Valley Corridor Study Area" to "Valley Policy Area 1", "Valley Policy Area 2", "Valley Policy Area 3", "Valley Policy Area 4" and "Valley and Stream Corridor", and by adding policies relating to development of the five designations and the Regional Road 27 Valleyland Trail.

## II LOCATION

The lands subject to this Amendment, hereinafter referred to as "Subject Lands", are shown as "Area Subject to Amendment No. 610" on Schedules "1" and "2" attached hereto. The subject lands are located along Regional Road 27, between Rutherford Road and Nashville Road, comprising the lands within the valley corridor of the main branch of the Humber River, being Parts of Lots 16, 17, 18, 19, 20, 21, 22, 23 and 24, Concessions 8, and Part of Lots 22 and 23, Concession 9, City of Vaughan.

## III BASIS

The decision to amend the Official Plan to redesignate the subject lands from "Regional Road 27 Valley Corridor Study Area" to "Valley Policy Area 1", "Valley Policy Area 2", "Valley Policy Area 3", "Valley Policy Area 4" and "Valley and Stream Corridor", is based on the following:

1. Section 4.10.10.1 15) of OPA #601 (the Kleinburg/Nashville Community Plan) contains policies providing for the study of the subject lands to determine if development in portions of the valley (study area) is appropriate, and if so, to identify the appropriate, primarily low intensity land uses.
2. The lands to be redesignated to "Valley Policy Area" are located outside of areas of environmental hazards (Regional Storm Floodplain, steep slopes, erosion areas) and do not contain significant natural heritage features (woodlands, wetlands). All other lands within the study area will be redesignated to "Valley and Stream Corridor", subject to the "Valley and Stream" policies of OPA 601, providing for their long term ecological protection.
3. The land uses permitted in this amendment are consistent with the existing land uses currently within the area and are primarily residential.
4. The Corridor Management Plan prepared in support of this Official Plan Amendment, provides for a comprehensive analysis of the valley corridor and sets out recommendations for both the

- i. lotting, form and structure of the proposed residential development;
  - ii. functional servicing report;
  - iii. opportunities to maximize naturalized open space areas;
  - iv. integration of the Regional Road 27 Trail system;
  - v. protection of natural features; and
  - vi. a comprehensive urban design plan.
- d) To maintain the character of the valley corridor, a landscape buffer shall be provided along Regional Road 27 and shall effectively screen any residential development from the arterial roads. This buffer shall generally be 30-50m wide and landscaped in dense naturalized plant materials. The buffer shall not form part of the parkland dedication, but may be used in the calculation of residential density.
- e) All new development within "Valley Policy Area 2" shall be serviced by full municipal water and sanitary servicing, subject to the policies in Subsection 4.1.2(2) of this Plan, provided servicing capacity is available without compromising the servicing opportunities provided by this amendment for other areas within the Community Plan.

**iii) Valley Policy Area 3**

- a) Residential development shall be permitted, subject to the "Suburban Residential" policies in Subsection 4.3.2.1 and the "Environmental" Policies in Section 4.10 of this Plan.
- b) All new development within "Valley Policy Area 3" shall be serviced as per Section 4.1.2(2) of this Plan.
- c) All new development shall comply with Section 4.10.14 (3) of this Plan.

**iv) Valley Policy Area 4**

- a) Lands located west of Regional Road 27:
  - 1. The existing residential uses outside of the Regional Storm Floodplain will be recognized; limited new residential development or redevelopment may be permitted which is

compatible with the existing housing form and lot sizes in the area;

2. All new development shall be serviced in accordance with Subsection 4.1.2(2) of this Plan.

9867 HWY 27

b)

Lands located east of Regional Road 27:

1. Residential enclave development is permitted which low in scale and ground-related, and is buffered and screened from the arterial roads to maintain the sense of a natural valley; development is in a clustered format to maximize naturalized open space opportunities, at an overall density of 5.0 to 7.5 units per hectare.
2. Development is subject to the "Environmental" policies in Section 4.10 of this Plan.
3. Prior to development of this site, a comprehensive development plan shall be prepared by all landowners for approval by Council, which shall detail:
  - i. lotting, form and structure of the proposed residential development;
  - ii. functional servicing report;
  - iii. opportunities to maximize naturalized open space areas;
  - iv. integration of the Regional Road 27 Trail system;
  - v. protection of natural features;
  - vi. a comprehensive Urban Design Plan;
  - vii. integration of a gateway feature;
  - viii. *co-ordinated and consolidated access that minimizes the number of vehicles access points to Regional Roads; and*
  - ix. *provisions for the accommodation of the future jog elimination at Major Mackenzie Drive and Regional Road 27.*
4. To maintain the character of the valley corridor, a landscape buffer shall be provided along Regional Road 27 and shall effectively screen any residential development from the arterial

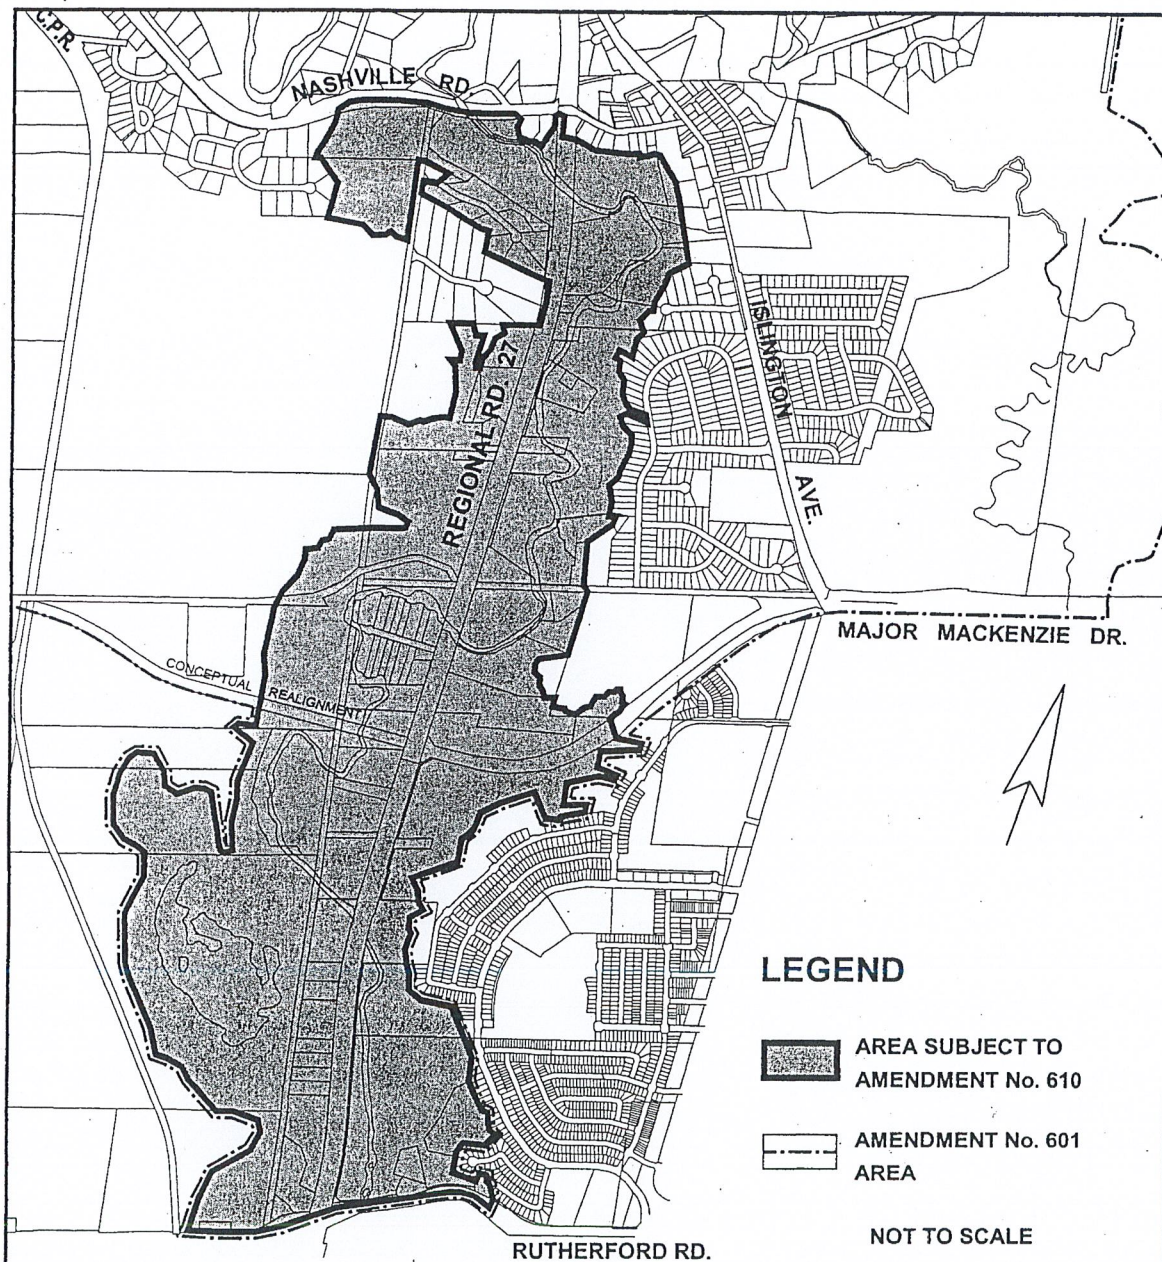

roads. This buffer shall generally be 30-50m wide and landscaped in dense naturalized plant materials. The buffer shall not form part of the parkland dedication, but may be used in the calculation of residential density.

5. Any development within this Policy Area shall be serviced by full municipal water and sanitary servicing subject to the policies in Section 4.12.2 of this plan, provided servicing capacity is available without compromising the servicing opportunities provided by this amendment for other areas within the Community Plan.
6. All new development shall comply with Section 4.10.14 (3) of this Plan.

e) Adding the following to Section 4.11.2.4 (3):

1. The Regional Road 27 Trail is a north-south local trail connecting to the Inter Regional Trail and other planned and existing trails.
2. The Regional Road 27 Trail shall be established generally in the preferred trail location shown on Schedule "A" and Appendix "B" to this Plan. An amendment to the Official Plan is not required to implement the trail in a location different from that shown on Schedule "A" and Appendix "B", provided that the intent of the Trail Plan is maintained to the satisfaction of the City.
3. The preferred alignment of Regional Road 27 Trail shall be implemented as a condition of approval of Planning Act applications for development/redevelopment of lands, through agreements with private landowners or through public-sponsored projects where the trail is on public lands.
4. Where the City determines that it is not possible to achieve the preferred trail location, the alternate location, associated with the Regional Road 27 right-of-way, may be implemented without amendment to this Plan.
5. The trail shall be constructed in a way which minimizes the ecological impacts, in consultation and partnership with the Toronto and Region Conservation Authority.

LOCATION:

PART OF LOTS 16 TO 24,  
CONCESSION 8 &  
PART OF LOTS 22 & 23,  
CONCESSION 9

## COMMENT FORM

### City-wide Comprehensive Zoning By-law Review

Event Date: January 28, 2020

Please provide contact information, including your e-mail address, and check the box below if you wish to receive project updates by e-mail or if you wish to be contacted about your comments. You will have the option to unsubscribe from receiving project updates by e-mail at any time. ☒ Please add me to the mailing list ☒ Please contact me

<b>Name</b> Nadia Zuccaro (EMC Group Ltd.)	<b>E-mail</b> nzuccaro@emcgroup.ca	<b>Telephone</b> 905-738-3939 ext 229
---	---------------------------------------	--

### Comments, Questions, Concerns

We request some clarification with respect to the overlays seen on the online interactive map when viewing the subject  
properties. On the online interactive map, 9867 Highway 27 has unidentifiable green overlays along the frontage of Hwy  
27, and at the rear end of the site. We suggest that the green overlay blocks be removed from the online interactive map  
to accurately reflect the By-Law Zones. We appreciate if we could also meet to discuss the proposed FD (Future  
Development Zone) and clarify the implications of this zoning.

☐ Continued on the back...

**Subject:** City- Wide Comprehensive Zoning By-law Review- Our Comments  
**Attachments:** City of Vaughan By-Law Review Comment Forms January 28 2020..pdf

Hi Brandon,

Thank you for taking the time to speak with Mario Zuccaro about the City's new draft zoning by-law at the January 28, 2020 'Second Draft Open House' at Father Ermano Bulfon CC. We have had a chance to review the document and have a number of comments relating to specific properties and the by-law in general that we would like to share.

Comments on the following addresses are included in the attachment:

1. 69 & 73 Nashville Road, Kleinburg;
2. 240 Fenyrose Crescent, Woodbridge;
3. 11023 & 11035 Huntington Road, Kleinburg;
4. 9867 Highway 27, Kleinburg;
5. 7575 & 7577 Keele Street, Concord;
6. 7689 Keele Street, Concord;
7. 31 Napier Street, Kleinburg;

As discussed, we would appreciate meeting with you to discuss the issues brought up in the attached comment sheets. Please let us know when you have some time to meet with Mario and I.

Should you have any questions or concerns, please do not hesitate to contact me.

Regards,

Nadia Zuccaro, MCIP, RPP  
Planner

**Subject:** City-wide Comprehensive Zoning By-Law Review

Hello Brandon.

We would like to inquire over the status of the City-wide Comprehensive Zoning By-Law Review. We submitted comments in January 2020, have they been reviewed or addressed? Please give me a call to discuss, thanks.

Comments on the following addresses were made earlier this year.

1. 69 & 73 Nashville Road, Kleinburg
2. 240 Fenyrose Crescent, Woodbridge
3. 11023 & 11035 Huntington Road, Kleinburg
4. 9867 Highway 27, Kleinburg
5. 7575 & 7577 Keele Street Concord
6. 7689 Keele Street, Concord
7. 31 Napier Street, Kleinburg

I inquired about this in June 2020 and have not heard from you back.

Best Regards

**Attachments:** OPA 610.pdf

Hi Brandon,

Thank you for your email.

We would appreciate if we could schedule a skype call later this week. I am available everyday generally from 1pm onwards. If you could set up a call I would appreciate it.

But in the meantime, I am having a hard time understanding your response as I understood through the open house presentation, that the Zoning by-law is meant to conform to the Official Plan and should be aligned with the Policies as outlined in the plan.

It is not our intention to have this by-law pre-zone the property, but we find that the EP-459 zone is much more restrictive than the existing A Zone, or even the previously proposed Future development zone. This is what we would like to discuss since the property is designated for some residential uses.

I have attached the OPA document (OPA 610) I had referred to in my last email to show the approved OP uses on the lands. The lands fall into Valley Policy Area 4.

We look forward to meeting with you and being able to further discuss this with the consulting team. Please include both Mario and Kevin on the invite.

Regards,

Nadia Zuccaro, MCIP, RPP

**Subject:** RE: [External] Comments on Third Draft Comprehensive By-law- RE: 9867 Highway 27

Hi Nadia,

Can I suggest we set up a time to further discuss your concerns later this week or early next week ? If you provide a time, I can arrange a skype call. Generally, these lands and surrounding are not proposing pre-zoning. An application for re-zoning would be required for some of the uses which may be contemplated at an Official Plan policy level. However, I am happy to discuss this further with staff and our lead consultant.

Best Regards,

Brandon

**Subject:** [External] Comments on Third Draft Comprehensive By-law- RE: 9867 Highway 27

Hi Brandon,

I hope you are doing well. I wanted to send this email as a follow up to my telephone message of yesterday afternoon so you may have some context regarding some very serious concerns we have regarding the third draft comprehensive by-law regarding **9867 Highway 27** located generally at the north east corner of Highway 27 and Major Mackenzie Drive.

In reference to the Comprehensive Zoning By-law Schedule A- Maps 138 and 139 (September 2020) the By-law illustrates the subject property in its entirety, as Environmental Protection (EP-459). The Environmental Protection land designation over the entire 9867 Highway 27 property does not conform to the existing land use designations outlined in the Vaughan Official Plan (2010) or the OPA #610, nor is it in line with the current Agricultural zoning in by-law 1-88.

The City of Vaughan Official Plan (2010) Schedule 13 Land Use designates the property as “Low-Rise Residential” which allows for low-rise residential uses. The subject property is further designated as a “Valley Policy Area 4” by Official Plan Amendment #610 which permits a “Residential enclave development”.

In the Second Draft of the Comprehensive By-law (January 2020) the lands were more accurately reflected as Future Development (FD) and Conservation (C), to which we had previously expressed concerns regarding the by-law schedules and online interactive mapping not corresponding correctly. To our surprise, the updated mapping included in the Third Draft (September 2020) version has been changed inaccurately, further not reflecting the Official Plan and OPA in force.

Map images comparing the second draft City wide Comprehensive By-law (Jan 2020) and the third draft (Sept. 2020) are attached for your ease of reference.

I would like to discuss this as soon as possible, and hope that you could kindly provide me with a response prior to the Virtual Open House meeting next week.

Regards,

Nadia Zuccaro, MCIP, RPP
