Staff & Agency Comments

Please note that staff/agency comments received after the preparation of this Report will be provided as an addendum item to the Committee. Addendum items will shall only be received by the Secretary Treasurer until **noon** on the last business day **prior** to the day of the scheduled Meeting.

Committee of Adjustment:
Public notice was mailed on July 28, 2021

Applicant confirmed posting of signage on August 4, 2021

Property Information	
Existing Structures	Year Constructed
Dwelling	1986
Pool	TBC
Pool Equip Pad	TBC

Applicant has advised that they cannot comply with By-law for the following reason(s): Rear and Side Yard Setbacks to Pool.

Adjournment Request: None

Building Standards (Zoning Review):
Stop Work Order(s) and Order(s) to Comply: There are no outstanding Orders on file.

A Building Permit has not been issued. The Ontario Building Code requires a building permit for structures that exceed 10m2.

The applicant shall be advised that additional variances may be required upon review of detailed drawing for building permit/site plan approval.

Building Inspections (Septic):
No comments or concerns

Development Planning:
Vaughan Official Plan 2010 ("VOP2010"): Low-Rise Residential

The Owner is requesting permission to construct a swimming pool in the rear yard. At the request of the Development Planning Department the Owner increased the requested exterior and rear yard setback from 0.91 m to 1.2 m to ensure safe access around the water's edge and maintain a level of consistency in the surrounding area. Development Engineering has also reviewed the proposal and have no concerns as the distance provided is adequate to account for appropriate water drainage on-site.

The Development Planning Department is of the opinion the proposal is minor in nature, maintains the general intent and purpose of the Official Plan and Zoning By-law, and is desirable for the appropriate development of the land.

Development Planning recommends approval of the application.

Development Engineering:
The Development Engineering (DE) Department does not object to variance application A152/21.

The Owner/applicant shall apply for a pool permit with the Development Engineering (DE) Department. Please visit or contact the Development Engineering Department through email at DEPermits@vaughan.ca or visit https://www.vaughan.ca/services/residential/dev_eng/permits/Pages/default.aspx to learn how to apply for the pool permit.

Parks Development - Forestry:
Resident/agent has confirmed Via email that the municipally owned right-of-way tree will be protected during the pool construction utilizing hoarding detail MLA 107B (light Duty) with a minimum distance of 3 Meters on the east side of the subject tree.

The Forestry division is satisfied with the applicant’s current plans and no further action is required at this time.

Please note that Forestry comments do not supersede the requirements of other commenting departments/agencies, including Development Planning with respect to the requirement of an Arborist Report and other tree protection requirements. Arborist Reports and other tree protection requirements may be required by other commenting departments to facilitate the review process of your application for the purpose of finalizing recommendations to the Committee of Adjustment.

Staff Recommendations:

Staff and outside agencies (i.e. TRCA) act as advisory bodies to the Committee of Adjustment. Comments received are provided in the form of recommendations to assist the Committee.

The Planning Act sets the criteria for authorizing minor variances to the City of Vaughan’s Zoning By-law. Accordingly, review of the application considers the following:

- ✓ That the general intent and purpose of the by-law will be maintained.
- ✓ That the general intent and purpose of the official plan will be maintained.
- ✓ That the requested variance(s) is/are acceptable for the appropriate development of the subject lands.
- ✓ That the requested variance(s) is/are minor in nature.

Should the Committee find it appropriate to approve this application in accordance with request and the sketch submitted with the application as required by Ontario Regulation 200/96, the following conditions have been recommended: None

Conditions

It is the responsibility of the owner/applicant and/or authorized agent to obtain and provide a clearance letter from respective department and/or agency. This letter must be provided to the Secretary-Treasurer to be finalized. All conditions must be cleared prior to the issuance of a Building Permit.

Please Note:

Relief granted from the City’s Zoning By-law is determined to be the building envelope considered and approved by the Committee of Adjustment.

Development outside of the approved building envelope (subject to this application) must comply with the provisions of the City’s Zoning By-law or additional variances may be required.

Elevation drawings are provided to reflect the style of roof to which building height has been applied (i.e. flat, mansard, gable etc.) as per By-law 1-88 and the Committee of Adjustment approval. Please note, that architectural design features (i.e. window placement), that do not impact the style of roof approved by the Committee, are not regulated by this decision.

Notice to the Applicant – Development Charges

That the payment of the Regional Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Regional Development Charges By-law in effect at the time of payment.

That the payment of the City Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the City’s Development Charges By-law in effect at the time of payment.

That the payment of the Education Development Charge if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Boards of Education By-laws in effect at the time of payment

That the payment of Special Area Development charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and The City's Development Charge By-law in effect at the time of Building permit issuance to the satisfaction of the Reserves/Capital Department.

COMMENTS:

- ☐ We have reviewed the proposed Variance Application and have no comments or objections to its approval.
- ☒ We have reviewed the proposed Variance Application and have no objections to its approval, subject to the following comments (attached below).
- ☐ We have reviewed the proposed Variance Application and have the following concerns (attached below).

Alectra Utilities (formerly PowerStream) has received and reviewed the proposed Variance Application. This review, however, does not imply any approval of the project or plan.

All proposed billboards, signs, and other structures associated with the project or plan must maintain minimum clearances to the existing overhead or underground electrical distribution system as specified by the applicable standards, codes and acts referenced.

In the event that construction commences, and the clearance between any component of the work/structure and the adjacent existing overhead and underground electrical distribution system violates the Occupational Health and Safety Act, the customer will be responsible for 100% of the costs associated with Alectra making the work area safe. All construction work will be required to stop until the safe limits of approach can be established.

In the event construction is completed, and the clearance between the constructed structure and the adjacent existing overhead and underground electrical distribution system violates the any of applicable standards, acts or codes referenced, the customer will be responsible for 100% of Alectra's cost for any relocation work.
