Subject: Vaughan - Forestry - Complete No Conditions (MACPHERA)

Please note that Vaughan - Forestry process is now complete for a COA folder with the following details:

File No: A145/21

Type: Minor Variance - Residential, Agricultural, Institutional

Address: 59 Riverside Blvd

Comments:1) Applicant/owner has applied for a tree removal/protection permit.

2) The Forestry division is generally satisfied with the applicant's current plans and no further action is required at this time.

Conditions:
