Applicant: Royle Leung

Agent: Sia Zanjani

Property: **59 Riverside Blvd, Thornhill**

Zoning: The subject lands are zoned R1V and subject to the provisions of Exception under By-law 1-88 as amended.

OP Designation: Vaughan Official Plan 2010 ('VOP 2010'): "Low-Rise Residential"

Related Files: None

Purpose: Relief from By-law 1-88, as amended, is being requested to permit the construction of a proposed single-family dwelling.

The following variances are being requested from By-Law 1-88, as amended, to accommodate the above proposal:

By-law Requirement	Proposal
To permit a max. lot coverage of 20%	To permit a max. lot coverage of 23.94% (Building: 23.00%, Covered porch: 0.94%)

Background (previous applications approved by the Committee on the subject land): None

For information on the previous approvals listed above please visit www.vaughan.ca. To search for a file number, enter it using quotes around it. For example, "A001/17".

To search property address, enter street number and street name using quotes. For example, "2141 Major Mackenzie". Do not include street type (i.e. drive).

Adjournment History: None

Staff & Agency Comments

Please note that staff/agency comments received after the preparation of this Report will be provided as an addendum item to the Committee. Addendum items will shall only be received by the Secretary Treasurer until **noon** on the last business day **prior** to the day of the scheduled Meeting.

Committee of Adjustment:
Public notice was mailed on August 25, 2021

Applicant confirmed posting of signage on August 23, 2021

Property Information	
Existing Structures	Year Constructed
Dwelling	TBC

Applicant has advised that they cannot comply with By-law for the following reason(s): Proposing additional lot coverage based on the needs of the occupant and in keeping with the size of other homes found within the area.

Adjournment Request: The applicant was provided an opportunity to revise their proposal from 25.32% to 23.00% to address Development Planning comments.

On August 24, Zoning staff confirmed the requested variances.

Building Standards (Zoning Review):
Stop Work Order(s) and Order(s) to Comply: There are no outstanding Orders on file

A Building Permit has not been issued. The Ontario Building Code requires a building permit for structures that exceed 10m2

The applicant shall be advised that additional variances may be required upon review of detailed drawing for building permit/site plan approval.

Building Inspections (Septic):
No comments or concerns

Development Planning:
Vaughan Official Plan 2010 ('VOP 2010'): "Low-Rise Residential"

The Owner is requesting permission to construct a 2-storey single family dwelling in an R1V Old Village Residential Zone. At the request of the Development Planning Department, the Owner reduced the lot coverage from the initial 26.15% to 23.94% (23% for the main dwelling and 0.94% for the porch). Development Planning staff is of the opinion the proposed dwelling establishes a built form, footprint and overall massing that is compatible with the surrounding properties in the immediate area.

The Development Planning Department is of the opinion that the proposal is minor in nature, maintains the general intent and purpose of the Official Plan and Zoning By-law, and is desirable for the appropriate development of the land.

The Development Planning Department recommends approval of the application.

Development Engineering:
The owner/applicant shall apply and obtain the necessary curb cut/ reinstating permit through the Transportation and Fleet Management Services. Please visit https://www.vaughan.ca/services/residential/transportation/roads/curb_cuts_and_driveway_widening/Pages/default.aspx to learn how to apply for the curb cut/ reinstating permit.

Recommended Conditions of Approval:

The Development Engineering (DE) Department does not object to variance application A145/21 subject to the following condition(s): The owner/applicant shall provide a brief to demonstrate the appropriate LID (Low-impact Development) measures and show the measures taken in the drawing to the satisfaction of DE to address the increased lot coverage from 20% to 23.94% to mitigate potential impacts on the municipal storm water system.

Parks Development - Forestry:
Recommended Conditions of Approval:

Applicant/owner shall apply for a "Private Property Tree Removal & Protection" permit through the forestry division prior to building permit approval.

By-Law and Compliance, Licensing and Permit Services:
No comments received to date

Development Finance:
That the payment of the City Development Charge is payable to the City of Vaughan prior to issuance of a building permit in accordance with the Development Charges Act and City-wide Development Charge By-law in effect at time of payment.

That the payment of Region of York Development Charge is payable to the City of Vaughan prior to issuance of a building permit in accordance with the Development Charges Act and Regional Development Charges By-laws in effect at time of payment.

That the payment of Education Development Charge is payable to the City of Vaughan prior to issuance of a building permit in accordance with the Education Act and York Region District School Board and York Catholic District School Board Development Charges By-laws in effect at time of payment

That the payment of applicable Area Specific Development Charges are payable to the City of Vaughan prior to issuance of a building permit in accordance with the Development Charges Act and Area Specific Development Charge By-laws in effect at time of payment.

Staff Recommendations:
Staff and outside agencies (i.e. TRCA) act as advisory bodies to the Committee of Adjustment. Comments received are provided in the form of recommendations to assist the Committee.

The Planning Act sets the criteria for authorizing minor variances to the City of Vaughan’s Zoning By-law. Accordingly, review of the application considers the following:

- ✓ That the general intent and purpose of the by-law will be maintained.
- ✓ That the general intent and purpose of the official plan will be maintained.
- ✓ That the requested variance(s) is/are acceptable for the appropriate development of the subject lands.
- ✓ That the requested variance(s) is/are minor in nature.

Should the Committee find it appropriate to approve this application in accordance with request and the sketch submitted with the application as required by Ontario Regulation 200/96, the following conditions have been recommended:

	Department/Agency	Condition
1	Development Engineering Farzana Khan 905-832-8585 x 3608 Farzana.Khan@Vaughan.ca	The owner/applicant shall provide a brief to demonstrate the appropriate LID (Low-impact Development) measures and show the measures taken in the drawing to the satisfaction of DE to address the increased lot coverage from 20% to 23.94% in order to mitigate potential impacts on the municipal storm water system.
2	Parks, Forestry and Horticulture Operations Andrew Swedlo 905-832-8585 x3615 Andrew.Swedlo@vaughan.ca	Applicant/owner shall apply for a “Private Property Tree Removal & Protection” permit through the forestry division prior to building permit approval.

Conditions
It is the responsibility of the owner/applicant and/or authorized agent to obtain and provide a clearance letter from respective department and/or agency. This letter must be provided to the Secretary-Treasurer to be finalized. All conditions must be cleared prior to the issuance of a Building Permit.

Please Note:
Relief granted from the City’s Zoning By-law is determined to be the building envelope considered and approved by the Committee of Adjustment.

Development outside of the approved building envelope (subject to this application) must comply with the provisions of the City’s Zoning By-law or additional variances may be required.

Elevation drawings are provided to reflect the style of roof to which building height has been applied (i.e. flat, mansard, gable etc.) as per By-law 1-88 and the Committee of Adjustment approval. Please note, that architectural design features (i.e. window placement), that do not impact the style of roof approved by the Committee, are not regulated by this decision.

Notice to the Applicant – Development Charges

That the payment of the Regional Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Regional Development Charges By-law in effect at the time of payment.

That the payment of the City Development Charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the City's Development Charges By-law in effect at the time of payment.

That the payment of the Education Development Charge if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and the Boards of Education By-laws in effect at the time of payment

That the payment of Special Area Development charge, if required, is payable to the City of Vaughan before issuance of a building permit in accordance with the Development Charges Act and The City's Development Charge By-law in effect at the time of Building permit issuance to the satisfaction of the Reserves/Capital Department.

Notice to Public

- ☒ We have reviewed the proposed Variance Application and have no objections to its approval, subject to the following comments (attached below).
- ☐ We have reviewed the proposed Variance Application and have the following concerns (attached below).

Alectra Utilities (formerly PowerStream) has received and reviewed the proposed Variance Application. This review, however, does not imply any approval of the project or plan.

All proposed billboards, signs, and other structures associated with the project or plan must maintain minimum clearances to the existing overhead or underground electrical distribution system as specified by the applicable standards, codes and acts referenced.

In the event that construction commences, and the clearance between any component of the work/structure and the adjacent existing overhead and underground electrical distribution system violates the Occupational Health and Safety Act, the customer will be responsible for 100% of the costs associated with Alectra making the work area safe. All construction work will be required to stop until the safe limits of approach can be established.

In the event construction is completed, and the clearance between the constructed structure and the adjacent existing overhead and underground electrical distribution system violates the any of applicable standards, acts or codes referenced, the customer will be responsible for 100% of Alectra's cost for any relocation work.
