Building Standards (Zoning Review):

Stop Work Order(s) and Order(s) to Comply: There are no outstanding Orders on file.

A Building Permit has not been issued. The Ontario Building Code requires a building permit for structures that exceed 10m2.

Building Department Staff have no additional comments in respect to this application.

Development Planning:

Official Plan: Vaughan Official Plan 2010 ('VOP 2010'): "Low-Rise Residential"

The Owner has submitted Consent Application File B013/21 to facilitate the conveyance of an 80.1 m² portion of Lot 3 on Registered Plan 4735 (described as Part 3 on the submitted draft reference plan prepared by Guido Papa Surveying, attached to the application), which is to be added to the abutting lands to the west, identified as Lot 4 on Registered Plan 4735 and municipally known as 42 Hurricane Avenue. Both properties are located within an Established Large-Lot Neighbourhood.

The purpose of the conveyance of the lands is to facilitate an increase in lot size to accommodate a new single-family dwelling on 42 Hurricane Avenue. The lot boundary adjustment will also facilitate the removal of an existing accessory structure shared between both properties, as well as a minor reconfiguration of the existing driveway on 42 Hurricane Avenue. The proposed conveyance of the lands will result in the subject lands (36 Hurricane Avenue) having a lot area of 891.6 m², which complies with the minimum lot area requirement of Zoning By-law 1-88. As such, no minor variances are required to facilitate the conveyance. The Development Planning Department has no objection to the proposal as it is a lot boundary adjustment, and no new lot is being created. The conveyance will increase the lot size of 42 Hurricane Avenue while maintaining compliance with Zoning By-law 1-88 for lot area and frontage on the subject lands. Accordingly, the proposal will not have adverse impacts on neighbouring properties. The Development Planning Department is of the opinion that the proposal meets the intent of Vaughan Official Plan 2010 and the consent criteria stipulated in Section 51(24) of the *Planning Act, R.S.O. 1990, c P.13*.

The Development Planning Department recommends approval of the application, subject to the following conditions:

The Owner of the land shall make an Application to Annex Restrictive Covenants S118 of the *Land Titles Act* for the registration of a restriction that no Transfer or Charge of the lands described as Lot 3, Registered Plan 4735 and Lot 4, Registered Plan 4735 (collectively, the "Restricted Lands") shall be registered unless such Transfer or Charge includes all of the Restricted Lands, and if such Transfer or Charge is registered against

title to part of the Restricted Lands then the written consent from the Corporation of the City of Vaughan is required, which consent may be arbitrarily withheld.

Development Engineering:

The Development Engineering (DE) Department does not object to consent application B013/21 subject to the following condition(s):

1. The Owner/applicant shall arrange to prepare and register a reference plan at their expense for the conveyance of the subject lands and showing all existing and proposed easements to the satisfaction of DE. The Owner/applicant shall submit a draft reference plan to the Development Engineering Department for review prior to deposit.
2. The owner/ applicant shall remove the green house and the vinyl shed from the rear yard easement area and provide Development Engineering with proof (pictures) that no structures are remained in the easement.

Parks Development - Forestry:

No comments no concerns.

By-Law and Compliance, Licensing and Permit Services:

No comments received to date.

Development Finance:

1. That the payment of the City Development Charge is payable to the City of Vaughan prior to issuance of a building permit in accordance with the Development Charges Act and City-wide Development Charge By-law in effect at time of payment.
2. That the payment of Region of York Development Charge is payable to the City of Vaughan prior to issuance of a building permit in accordance with the Development Charges Act and Regional Development Charges By-laws in effect at time of payment.
3. That the payment of Education Development Charge is payable to the City of Vaughan prior to issuance of a building permit in accordance with the Education Act and York Region District School Board and York Catholic District School Board Development Charges By-laws in effect at time of payment
4. That the payment of applicable Area Specific Development Charges are payable to the City of Vaughan prior to issuance of a building permit in accordance with the Development Charges Act and Area Specific Development Charge By-laws in effect at time of payment.

- We have reviewed the proposed Consent Application and have the following concerns (attached below).

Alectra Utilities (formerly PowerStream) has received and reviewed the proposed Consent Application. This review, however, does not imply any approval of the project or plan.

All proposed billboards, signs, and other structures associated with the project or plan must maintain minimum clearances to the existing overhead or underground electrical distribution system as specified by the applicable standards, codes and acts referenced.

In the event that construction commences, and the clearance between any component of the work/structure and the adjacent existing overhead and underground electrical distribution system violates the Occupational Health and Safety Act, the customer will be responsible for 100% of the costs associated with Alectra making the work area safe. All construction work will be required to stop until the safe limits of approach can be established.

In the event construction is completed, and the clearance between the constructed structure and the adjacent existing overhead and underground electrical distribution system violates the any of applicable standards, acts or codes referenced, the customer will be responsible for 100% of Alectra's cost for any relocation work.

CofA File: B013/21 Bell File: 905-21-340

Further to our correspondence dated August 24, 2020, Bell Canada confirms that we have existing installations over the subject lands noted above, which are protected by existing easements registered as Instrument WB3395, more particularly described as the northerly 4 feet of Lot 3 Plan 4735. Therefore we confirm that our existing easement rights must be maintained, and that we will not require any additional easement protection.

Bell Canada respectfully withdraws the easement request for the lands noted above. We apologize for any inconvenience this may have caused.

If there are any questions or concerns, please do not hesitate to call.

Vaughan – Committee of Adjustment
2141 Major Mackenzie Drive
Vaughan, Ontario
Canada
L6A 1T1

Attention: Christine Vigneault, Secretary Treasurer to the Committee of Adjustments
Email only: Pravina.Attwala@vaughan.ca

Dear Madam:

Subject: Consent Application - Severance
36 HURRICANE AVENUE
CofA File: B013/21

Bell File: 905-21-340

Subsequent to review of the Severance Application by our local Engineering Department it has been identified that Bell Canada will require a transfer of easement over these lands, to protect existing aerial facilities, supply service to the properties and to maintain service in the area. According to our records, Bell Canada has strand and aerial cable that run parallel to the north property boundary at 36 Hurricane Ave. We request the easement be the full length of the facilities, as shown as an approximation on the attached sketch.

Bell Canada would like to confirm that a blanket easement over the lands or a specific easement measured 3.0m wide (1.5m on either side of the aerial plant), and to a minimum of 1m past any pole, guy and anchor installation as can be accommodated, would satisfy our needs.

Since the easement is necessary in order to provide and maintain service to this area, all costs associated with this transaction is the responsibility of the landowner. Compensation should be set to the nominal amount of \$2.00 for the acquisition of these rights. Additionally, Bell Canada requires separate, registered postponements for any mortgages and certification of title.

We hope this proposal meets with your approval and request a copy of the Committee of Adjustments decision. We look forward to the owners' Solicitor contacting us with a draft reference plan and accompanying draft easement documents for our approval prior to registration, along with an acknowledgement and direction for our execution.

If you have any questions or concerns, please feel free to contact me.

Yours truly,

A handwritten signature in blue ink that reads "Carrie Gordon".
