Rutherford GO Station
Project Number: GMF 16841

Dear Mayor Maurizio Bevilacqua and Members of Council:

On behalf of the Green Municipal Fund (GMF) Council and FCM's Executive Committee, I would like to congratulate the City of Vaughan on its successful funding application for the above-noted initiative.

It is my pleasure to confirm that the City of Vaughan has been approved for a grant in the amount of up to \$357,170.

In the near future, Mr. Kamal Kakish will contact the City of Vaughan to finalize the agreement for this funding. FCM's obligation to fund the above-noted initiative will only become binding once the agreement is signed.

FCM, in partnership with the Government of Canada, oversees public announcements regarding GMF-funded initiatives. In the near future, our media relations team will contact the municipality to discuss the process for a public announcement. Until that time, before making any public statements related to the status of the application process for GMF funding (with the exception of reporting to Council), please contact the FCM media team at 613-907-6395 or by email at media@fcm.ca.

Thank you for your interest in GMF. We look forward to working with you to improve the quality of life in your community, and to sharing the results of your initiative with communities across Canada.

Sincerely,
