Subject: [External] The Q tower limited partner ship project in Southwest corner of major Mackenzie drive and Fossil Hill Road

Hello,

My Name is Armin Daie , owner of property at [REDACTED] Alexie way, Woodbridge , I would like to present my concern in regards to the public meeting on Official Plan Amendment File OP.21.001 being held on Tuesday September 14,2021 at 7:00 p.m.

According to the fact that the neighborhood is already over crowded and both Sibella way and Alexie way road are very narrow to accept further traffic , building a 12 story building not only alter the harmony of buildings in the vicinity which are all townhouses but it will make situation worse in the Fossil hill and Sibella road and in consequence Alexie way

Respectfully I ask not to approve the application submitted to build 12 story building this lot as it will harm all neighbors both financially and emotionally .

Thank you
Armin Daie
