Subject: [External] RE: Zoning By-law Amendment File Z.21.028-1150 Centre St.GP Inc.

To Whom It May Concern:

We do appreciate for the development along Centre St. & Bathurst, the Condominiums, townhouses & the plaza, street upgrade. We have lived in our home since 1992 and enjoyed the quietness of the neighborhood! But with proposed building of a 12 storey with 375 units on a small lot, plus a 3-storey back to back, please **we strongly opposed 'coz of the traffic and crowd** it will bring to our neighborhood. Our neighborhood is more of residential area, but if you will allow it, the once quiet area around the neighborhood will be gone! We don't mind a 2 storey, for commercial purposes but not 12- storey nor a 3- storey townhouse!
