Thank you Margaret

My biggest concern - is that Vaughan Blvd has a sign "reduced traffic street" but should the entrance to the condo be off Vaughan Blvd as opposed to direct exit to Center street or the plaza on the other side it will become a high traffic street

Vaughan Blvd and King High does NOT have side walks. So we are creating a hazard awaiting to happen with foot traffic on the street and a massive increase in pass through cars.

Hi Carol,
Hope you had a nice weekend.
I am a resident on Vaughan Blvd, so directly affected by the proposed development.

I received the Notice letter and saw the sign going up. Unfortunately the copy that was provided is a low resolution photo copy and i cannot tell for certainty.

Where would the entrance and exist to the new complex be? Is it from the RBC plaza along Center Street or is it off the residential Vaughan street?

and what are the plans to facilitate such new large influx of cars / residents / congestion

thank you,
Yaroslav
