**RE: Notice of Public Meeting for 1150 Centre Street Application**

To whom this may concern,

I represent the ownership group of the properties municipally known as 1260-1314 Centre Street.

We are writing to express our full support for the 1150 Centre application which has a 12-storey tower and 3-storey townhouses. We think it would be a great improvement to the area and street, and represents an aesthetically-pleasing, pedestrian-friendly urban design.
