p.	Other Agreements May be Required	<ul style="list-style-type: none"> ▪ Should the Applications be approved, the Owner may be required to enter into a development agreement with the City of Vaughan Development Engineering Department for the installation of any proposed service connections and agree to pay for design and construction of any improvements to the municipal infrastructure, should it be determined that upgrades are required to the infrastructure to support the Development ▪ Additional agreements with the City of Vaughan regarding discharging groundwater, excavation, shoring, encroachments, and payment of associated fees may also be required
q.	Tree Protection	<ul style="list-style-type: none"> ▪ The Owner will be required to provide a detailed tree preservation study to the satisfaction of the City and may be required to enter into any Tree Protection Agreement in accordance with the Tree By-law 052-2018 and the City's Tree Protection Protocol

Financial Impact

There are no financial requirements for new funding associated with this report.

Broader Regional Impacts/Considerations

The Applications have been circulated to the York Region Community Planning and Development Services Department for review and comment. Any issues will be addressed when the comprehensive report is considered. The Owner has requested exemption from Regional Approval for Official Plan Amendment File OP.21.014. At the time of the preparation of this report, exemption from York Region approval was not confirmed.

Conclusion

The preliminary issues identified in this report and any other issues identified through the processing of the Applications will be considered in the comprehensive review of the Applications. Comments from the public and Vaughan Council expressed at the Public

Meeting or in writing will be addressed in a comprehensive report to a future Committee of the Whole meeting.
