Follow Up Flag: Follow up
Flag Status: Flagged

Good morning Shari

Please find on attachment the Request form to proclaim October 24 International Polio Day.

The proclamation and the raising of the Flag will be the proper step ahead for our city to become part of a larger group of international cities to recognize October 24.

Would it be possible to change the colour of the lights of city hall from white to red and yellow on the evening of October 24th?

Please let me know if you will need further information.

Thank you so much for your support!

Renata Pancini M.Sc.

President

Rotary Club of Woodbrige
