1. THAT the Public Hearing report for Zoning By-law Amendment File Z.18.002 (Arbor Memorial Inc.) BE RECEIVED; and, that any issues identified be addressed by the Development Planning Department in a comprehensive report to the Committee of the Whole.

## **Background**

The Subject Lands (the 'Subject Lands') are located south of Regional Road 7, east of Regional Road 50, to the west of Highway 427, and are municipally known as 7541 Regional Road 50. The Subject Lands are bound to the south by a Hydro Corridor and vacant agricultural lands to the north. The future Gibraltar Road extension (local road) will traverse through the Subject Lands and provide access to the future proposed uses. The Subject Lands contain an existing cemetery (Glenview Memorial Gardens), which occupies two-thirds of the Subject Lands with frontage from Regional Road 50. The proposed employment uses on the Subject Lands apply to the lands that will be accessed via the Gibraltar Road extension (Attachment #2). The existing access from Regional Road 50 will remain unchanged and will continue serving the existing cemetery.

### ***A Zoning By-law Amendment Application has been submitted to permit the proposed Development***

The Applicant (Cosmopolitan Associates Inc.) on behalf of the Owner (Arbor Memorial Inc.), has filed a Zoning By-law Amendment Application (the 'Application') to rezone the Subject Lands from "A Agricultural Zone" and "OS2 Open Space Park Zone" (Attachment #2) to "EM1 Prestige Employment Area Zone" and "OS2 Open Space Park Zone", in the manner shown on Attachment #3, together with site-specific zoning exceptions identified in Table 1 of this report. The proposal includes a crematorium, funeral home and employment uses (the 'Development') on the Subject Lands, as shown on Attachments #3 and #4.

## **Previous Reports/Authority**

[Item 15, Report No. 14 of the Committee of the Whole, adopted without amendment by the Council of the City of Vaughan on April 5, 2011. Site Development File DA.10.022 \(Memorial Gardens Canada Limited\)](#)

## **Analysis and Options**

### ***The proposed crematorium, funeral home and employment uses conform to Vaughan Official Plan (“VOP 2010”)***

The Subject Lands are designated “Private Open Spaces” (westerly two-thirds abutting Regional Road 50) and “Prestige Employment” (easterly one-third of the Subject Lands abutting the future Gibraltar Road extension) within the Section 12.12 Huntington Business Park, Volume 2, by Vaughan Official Plan 2010 (‘VOP 2010’).

The proposed crematorium is located within the “Private Open Spaces” designation on the Subject Lands and is a permitted use. The crematorium is connected to the funeral home by a breezeway. The crematorium is considered accessory to a funeral home and conforms with the *Funeral, Burial and Cremation Services Act, 2002*.

The proposed funeral home and employment uses are primarily located within the “Prestige Employment” designation which conforms with VOP 2010. Only landscaping and parking areas associated with the employment use are located within the “Private Open Spaces” designation.

The overall site plan (Attachment #3) illustrates the limit of the proposed zone boundary between the proposed OS2 and EM1 Zones. The Owner is proposing to adjust the current OS2 Zone boundary approximately 18 m to the west. This area is designated “Private Open Spaces” by VOP 2010. Section 10.2.1.6 of VOP 2010 states (in part): “...where the intent of this Plan is maintained, minor adjustments to boundaries will not require an amendment to this Plan”. The landscaping and parking associated with the proposed funeral home and employment uses within this area are privately operated and will maintain the intent of the “Private Open Spaces” and “Prestige Employment” designations. The proposed Zoning Amendment conforms to VOP 2010.

### ***Amendments to Zoning By-law 1-88 are required to permit the Development***

The Subject Lands are zoned “OS2 Open Space Park Zone”, subject to site-specific Exception 9(1139) and “A Agricultural Zone” by Zoning By-law 1-88, as shown on Attachment #2. The OS2 Zone, Exception 9(1139) permits the current cemetery use and the proposed crematorium use.

The portion of the Subject Lands Zoned “A Agricultural Zone” is proposed to be rezoned to “EM1 Prestige Employment Area Zone” to permit the proposed employment and funeral home uses.

TransCanada Pipeline Limited has acquired an 18 m wide pipeline easement parallel to the future Gibraltar Road extension, as shown on Attachment #3. The required easement has displaced lands intended for the proposed funeral home and employment uses to the west approximately 18 m, and an adjustment to OS2 Zone boundary is proposed. These lands are proposed to be rezoned from “OS2 Open Space Park Zone” to “EM1 Prestige Employment Area Zone”.

The following site-specific zoning exceptions are also required to the “EM1 Prestige Employment Area Zone” and “OS2 Open Space Park Zone” to permit the Development shown on Attachments #3 and #4:
