Subject: [External] Velmar Centre Property Limited (4101 Rutherford Road) development application

> Good Morning Councillors,

>

> On May 18th we the residents of Weston Downs were promised by the Council of Vaughan that we would have mediation with the OLT regarding this development at Velmar/Rutherford. Today I am upset to hear that the developer bypassed this step. The residents of this community have put a lot of work and whole heartily have tried to work with this developer. We need Vaughan City Council to stand up for the residents it serves as we feel that we have been neglected. It is now time for council to support it's residences who have put every effort to work with this developer. The developer has shown no regard to the recommendations made by council. Please Say No to this developer who has no regard to the community.

>

> Sincerely,

> Gurdeep Badwal

> Resident of [REDACTED] Velmar dr (resident of property directly across this proposed development)
