**Date:** Monday, October 25, 2021 5:59:01 PM

---

**PLEASE NOTE:**

**We would like to remain anonymous as to avoid any conflicts with the applicants.**

We live on the adjacent street and have a visible view of the structure in question. We find that this structure obstructs our views of the natural surroundings as it appears to be a large dwelling in our backyard. It is clearly not up to code as it goes against the height and width restrictions set forth by the city.
