My name is V Andreoli and I have been a resident of Weston Downs since I was born and my family and I are looking for your support to uphold your commitment to the residents of Weston Downs and surrounding neighbourhoods and reject the development application for this 7 storey building that nobody wants. We voted you to work for us. We now need your support. We will be supporting and voting for those that help us. Support what is right and correct what is wrong. This building does not belong here.
