Dear Christine,

RE: 40 Johnswood Crescent Variance Number A168/21

This letter is regarding the cabana, privacy screens and pool equipment located at 40 Johnswood Cres., Variance Number A168/21. We, Parick Spanjers and Cynthia Spanjers neighboring property owners and residing at 44 Johnswood Crescent provide my support and agreement of the variance application.

The cabana and privacy screens are located to the east of our rear yard, and we feel the style and design are aligned with the existing neighbourhood. The cabana provides privacy for us which is important considering we have a pool in the rear yard. The rear yard is professionally designed and finished in addition its well maintained. We think a landscaped back yard adds value to the property and the neighbourhood.

Yours truly

Pat & Cynthia Spanjers
44 Johnswood Cres.
