Dear Christine,

RE: 40 Johnswood Crescent Variance Number A168/21

This letter is regarding the cabana, privacy screens and pool equipment located at 40 Johnswood Cres, Variance Number A168/21. I Duncan Richardson and Denise Richardson neighboring property owner and residing at 36 Johnswood Crescent are in full support of this application.

The cabana and privacy screens are located to the west of our rear yard. We feel the style and design are aligned with the existing neighbourhood. The privacy screens provide privacy for both of us which we are in a favour of since we have a pool too. The cabana and privacy screens are aesthetically and architecturally pleasing. We think this adds value to our properties and the neighbourhood.

Yours truly

Duncan & Denise Richardson
36 Johnswood Cres.
