Analysis and Options

The Draft Plan of Condominium (Standard) conforms to Vaughan Official Plan 2010 ("VOP 2010") and complies with Zoning By-law 1-88

The Subject Lands are designated "General Employment" by Vaughan Official Plan 2010 ("VOP 2010"). The proposed Draft Plan of Condominium (Standard) will establish the condominium tenure for an existing employment building that conforms to the Official Plan.

The Subject Lands are zoned "EM2 General Employment Area Zone" by Zoning By-law 1-88, which permits the existing employment building shown on Attachment 4.

The Subject Lands are located in an Employment Area and do not abut an arterial road, provincial highway, or Open Space Zone. A Site Development Application was not required to facilitate the construction of the existing building, and a Building Permit was issued on September 8, 1993.

All common areas (i.e. the parking spaces, sidewalks, drive aisles, landscaped areas and mechanical/sprinkler room) on the proposed Draft Plan of Condominium will remain under a single ownership.

Snow Removal, Garbage and Recycling Collection will be privately administered

Snow removal, and garbage and recycling collection will be privately administered and the responsibility of the condominium corporation. A condition to this effect is included in Attachment 1.

All utility providers have no objection to the Draft Plan of Condominium

Bell Canada, Rogers Communications, Alectra Utilities, and Enbridge Gas have no objections to the Draft Plan of Condominium. The Owner is required to confirm that all required easements and rights-of-way for each utility have been granted to the appropriate authority. A condition to this effect is included in Attachment 1.

Canadian National Railway ("CN") has no objection to the Draft Plan of Condominium

The Subject Lands are located adjacent to a CN owned and operated rail corridor to the north. As the application is for a change in the tenure of the building, CN has no objection to the Draft Plan of Condominium.

Canada Post has no objection to the Draft Plan of Condominium

The proposed change in tenure of the building will not affect mail delivery, and therefore Canada Post has no objection to the Draft Plan of Condominium.

Financial Impact

There are no requirements for new funding associated with this report.

Broader Regional Impacts/Considerations

The York Region Community Planning and Development Services Department has no objection to the Draft Plan of Condominium.

Conclusion

Draft Plan of Condominium (Standard) File 19CDM-18V003 conforms to VOP 2010, complies with Zoning By-law 1-88, and pertains to the tenure of the building only. Accordingly, the Development Planning Department can support the approval of the Draft Plan of Condominium (Standard), subject to the Conditions of Draft Approval set out in Attachment 1.
