Overview

Introduction

The City of Vaughan has engaged StrategyCorp to support the development of its updated Strategic Plan.

We know that Vaughan is a fast-growing City, with unique community needs. This Strategic Plan needs to represent those needs and meet the expectations of Council and City leadership. As such the strategic planning process will engage Council, staff, the community, and stakeholders, as well as the City's Task Forces.

We understand that the 2018-2022 Term of Council Task Forces are designed to address specific issues and priorities in the community. As part of updating the Strategic Plan, we will be engaging each Task Force to gain a deeper understanding of each priority area, the work the City has done to date, and the opportunities and potential recommendations for the future.

Older Adult Task Force

The City of Vaughan Older Adult Task Force is mandated to make recommendations on the implementation of action items related to the City of Vaughan's Older Adult Strategy, including exploring opportunities to move towards an age-friendly community and the promotion of healthy seniors.

The goal of an age-friendly community is to ensure policies, services and built infrastructure (e.g. available housing, walkable and accessible public areas, local social services and programs) are designed to help seniors age actively, age in place, live safely, be engaged and enjoy good health.

We are seeking the Task Force's input on the well-being, and diversity landscape in the City, and to identify emerging opportunities as it relates to older adults and their experience with the City's social infrastructure.

Structure of the Meeting

Our objective is to hear directly from Task Force members.

We have included an overview of the City's Objectives and Key Activities relating to the Active, Safe, and Diverse Communities Strategic Priority Area in the current Strategic Plan.

We have also included a question that we hope to focus on in the session.

Please note that your input will be synthesized and remain non-attributable in any reports or presentations we may bring forward. If you have any additional questions or comments, please send them to Stacy Hushion shushion@strategycorp.com or Reema Bazzi at rbazzi@strategycorp.com.
